

Іван Франко

A winter landscape featuring a wide, snow-covered field in the foreground. In the middle ground, there are several bare trees and a utility pole. A frozen lake or river stretches across the background, with a small white object, possibly a boat or a structure, visible on the ice. The far background is a dense forest of dark evergreen trees under a pale, overcast sky.

Безмежнеє поле в сніжному
завою.

Ох, дай мені обширу й волі!

Я сам серед тебе, лиш кінь підо
мною

І в серці нестерпної болі.

Неси ж мене, коню, по чистому
полю.

Як вихор, що тутка гуляє,

А чень утечу я від лютого болю,

A photograph of a forest with sunlight filtering through the trees, creating a bright, hazy glow in the center. The trees are dark and bare, suggesting a winter or late autumn setting. The sun is positioned in the middle ground, casting a strong light that creates a lens flare effect and illuminates the surrounding air. The overall mood is serene and somewhat melancholic.

Що серце моє розриває.
