

A a

Что надо говорить, когда доктор осматривает тебе горло?
(А-А-А)

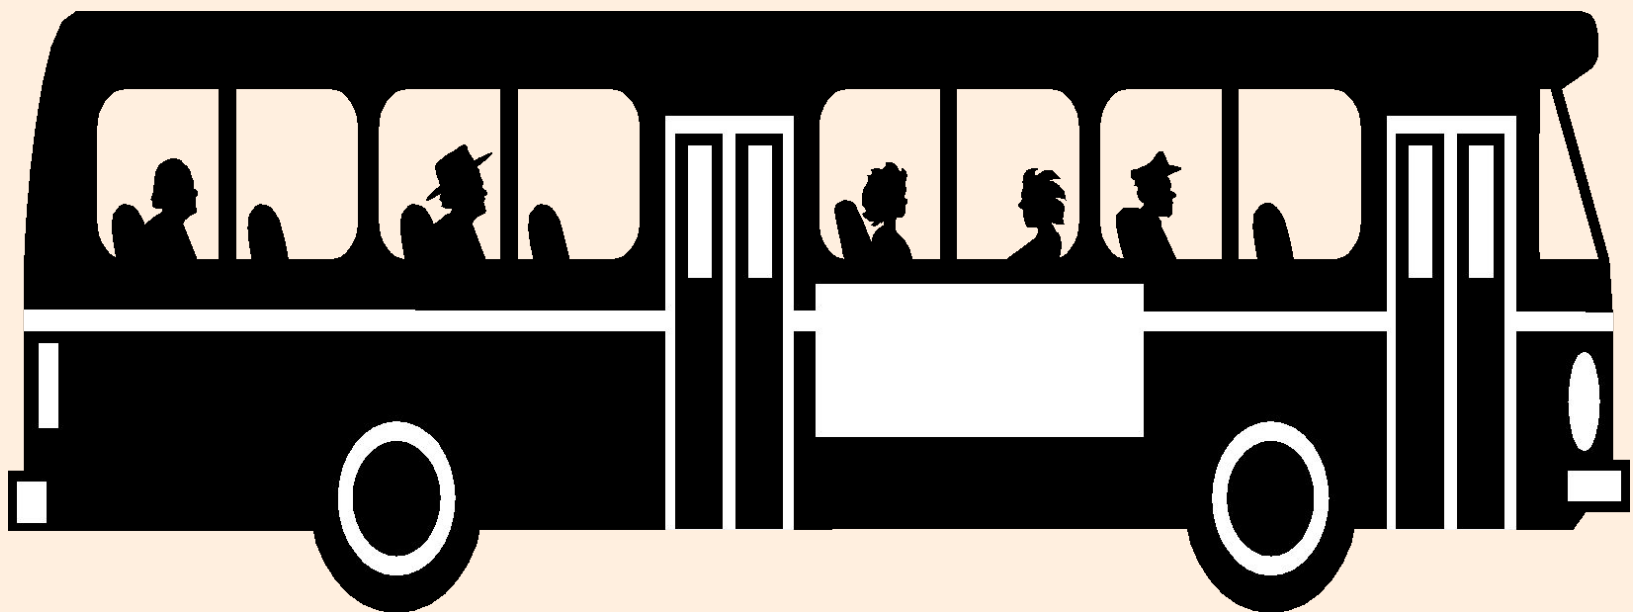

A

**Буква А всему глава,
У нее солидный вид,
Потому что буква А
Начинает Алфавит!**

**Астры, аисты , аптеки
С буквой А дружны навеки!**

A

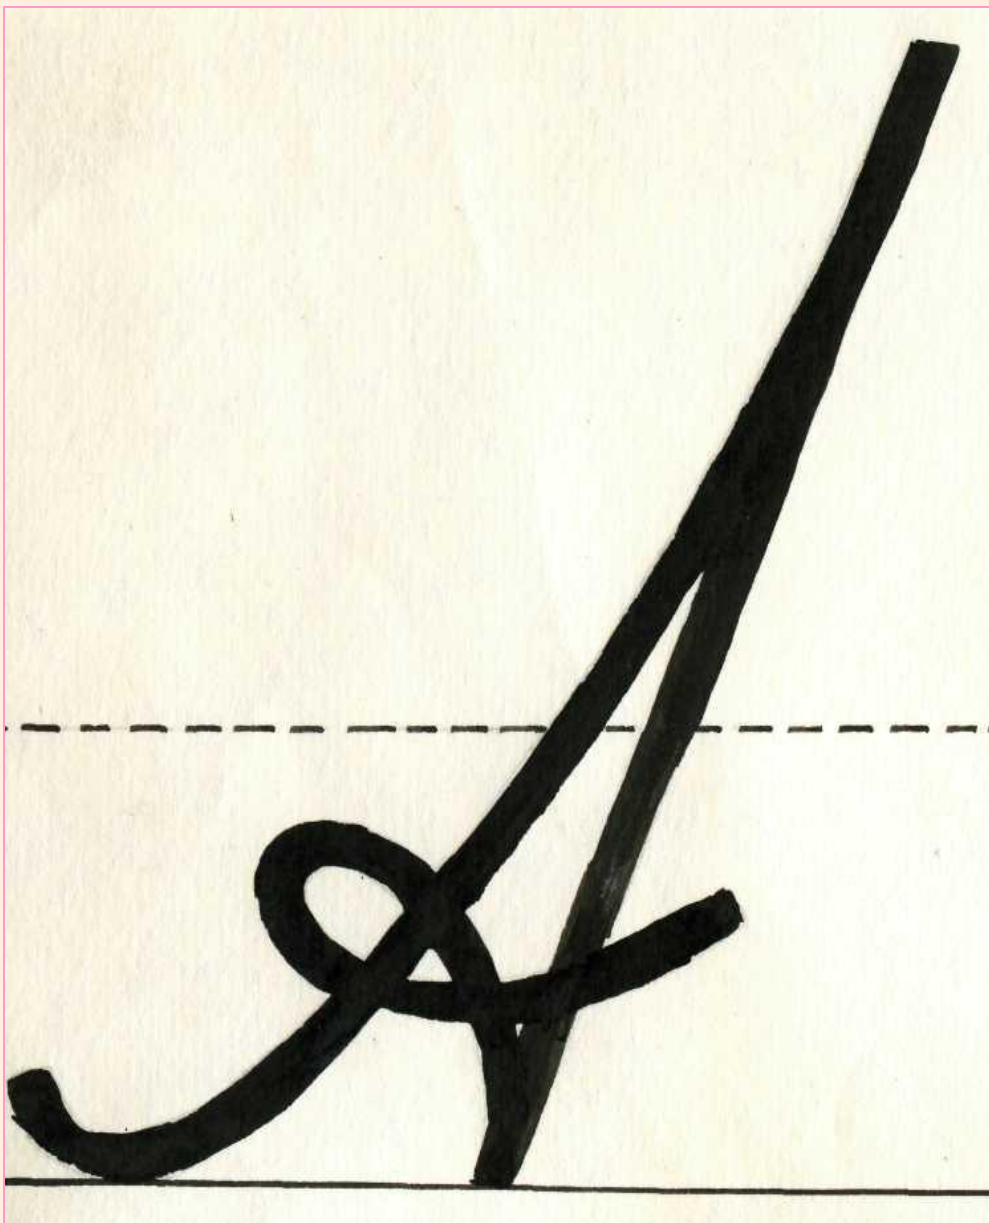

АПЕЛЬСИН

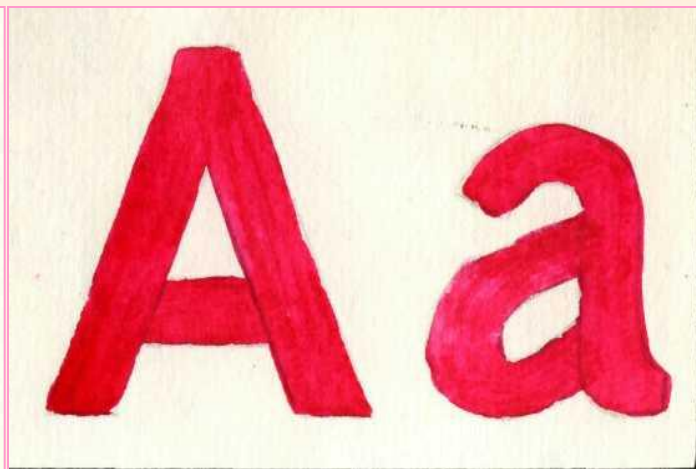

**Этой белокрылой птице
В зоопарке не сидится.
Чтобы люди улыбались,
К ним летит со свёртком**

...

A large, black, cursive uppercase letter 'A' is shown on a white background. The letter is written with a thick, dark ink. It features a long, sweeping stroke that starts from the bottom left, curves around to the right, and then goes up and over the top of the letter. A horizontal dashed line is drawn across the middle of the page, and a solid horizontal line is at the bottom.

Two red, blocky letters are shown on a white background. The first is an uppercase 'A' and the second is a lowercase 'a'. Both letters are filled with a bright red color and have a slightly textured appearance. The letters are positioned in the top right corner of the page.

A large, black, cursive lowercase letter 'a' is shown on a white background. The letter is written with a thick, dark ink. It features a large, circular loop that starts from the bottom right, goes up and around to the left, and then goes down and over the top of the letter. A horizontal dashed line is drawn across the middle of the page, and a solid horizontal line is at the bottom.
