A vibrant, cartoon-style illustration of a tropical party. In the center, a white banner with a black border contains the Russian text "До свидания, ребята!" (Goodbye, guys!). The scene is filled with various animals: a brown monkey in a yellow hat and sunglasses at the top right; a grey bear-like animal; a blue bear-like animal holding a yellow cake on a silver tray; a green frog wearing a red polka-dot dress and a red flower on its head; a tiger in the bottom left; and a blue bird-like creature at the top left. The background is a lush green field with white daisies, a yellow sun with a face, and several butterflies. The overall mood is cheerful and festive.

До свидания, ребята!
