A vibrant, colorful illustration of a field. In the foreground, a fluffy brown and white dog is sitting on a bed of yellow and orange flowers, looking towards the right with its tongue out. To the right, a wooden picture frame with a white oval center is set against a background of green grass and flowers. The text "Собери слова" is written in the white oval. In the bottom right corner, a cartoon character with a round orange face, blue eyes, and a white headscarf with blue polka dots is smiling and waving. The background features a bright blue sky with a rainbow, white clouds, and several colorful butterflies. The overall scene is bright and cheerful.
