

Научились мы читать –  
Важнее нет науки.  
Тот, кто умеет сам  
читать,  
Совсем не знает скуки!

Сказка

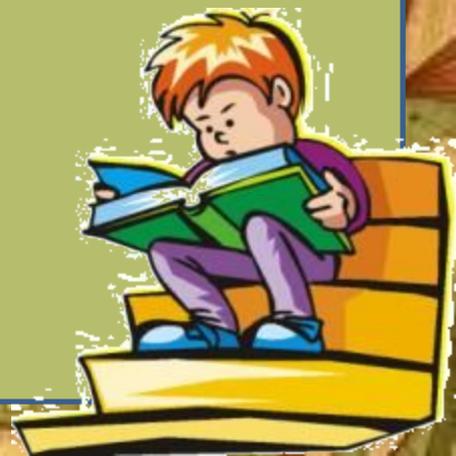

# Сказки, загадки, небылицы.

## Цель:

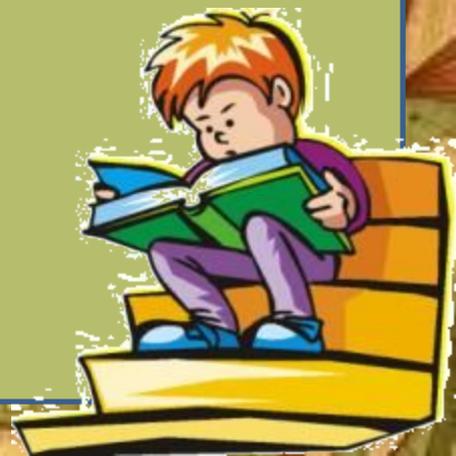

Познакомимся со сказками, научимся  
правильно читать.

Сказка – ложь, да в ней намёк – добрым  
молодцам урок.

В сказках отражается  
мудрость народа.

## Сказка «Теремок »

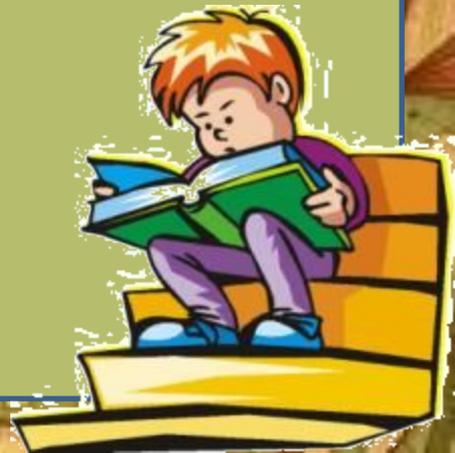

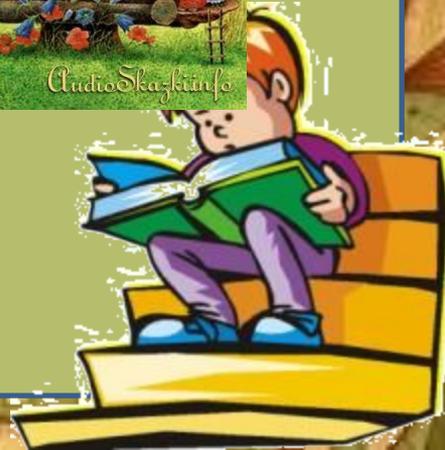

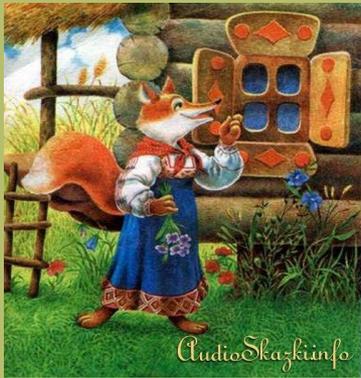

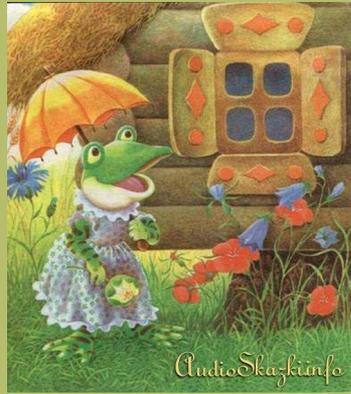

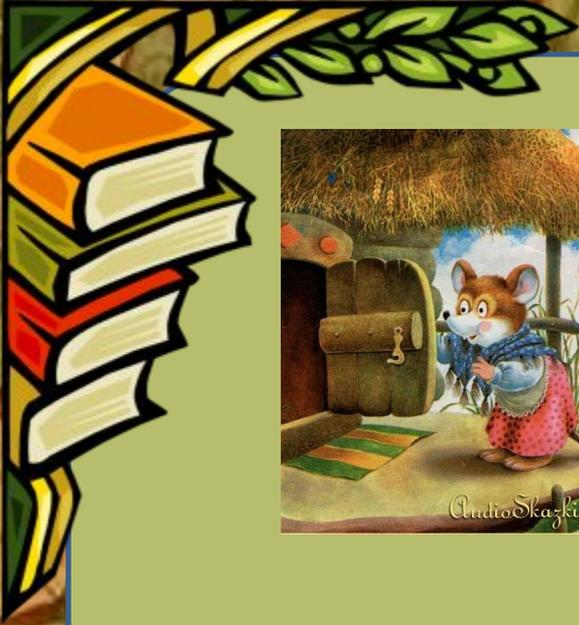

***В тесноте, да не в обиде.***

***Знает сорока, где зиму  
зимовать.***

***Согласие крепче каменных  
стен.***

A stack of colorful books (orange, green, red, white) with green leaves sprouting from the top, located in the top-left corner of the slide.

В сказках отражается  
мудрость народа.
