

My presentation is about Allianz SE from Germany. it is the world's largest insurance company according to a measure by Forbes magazine in 2014.

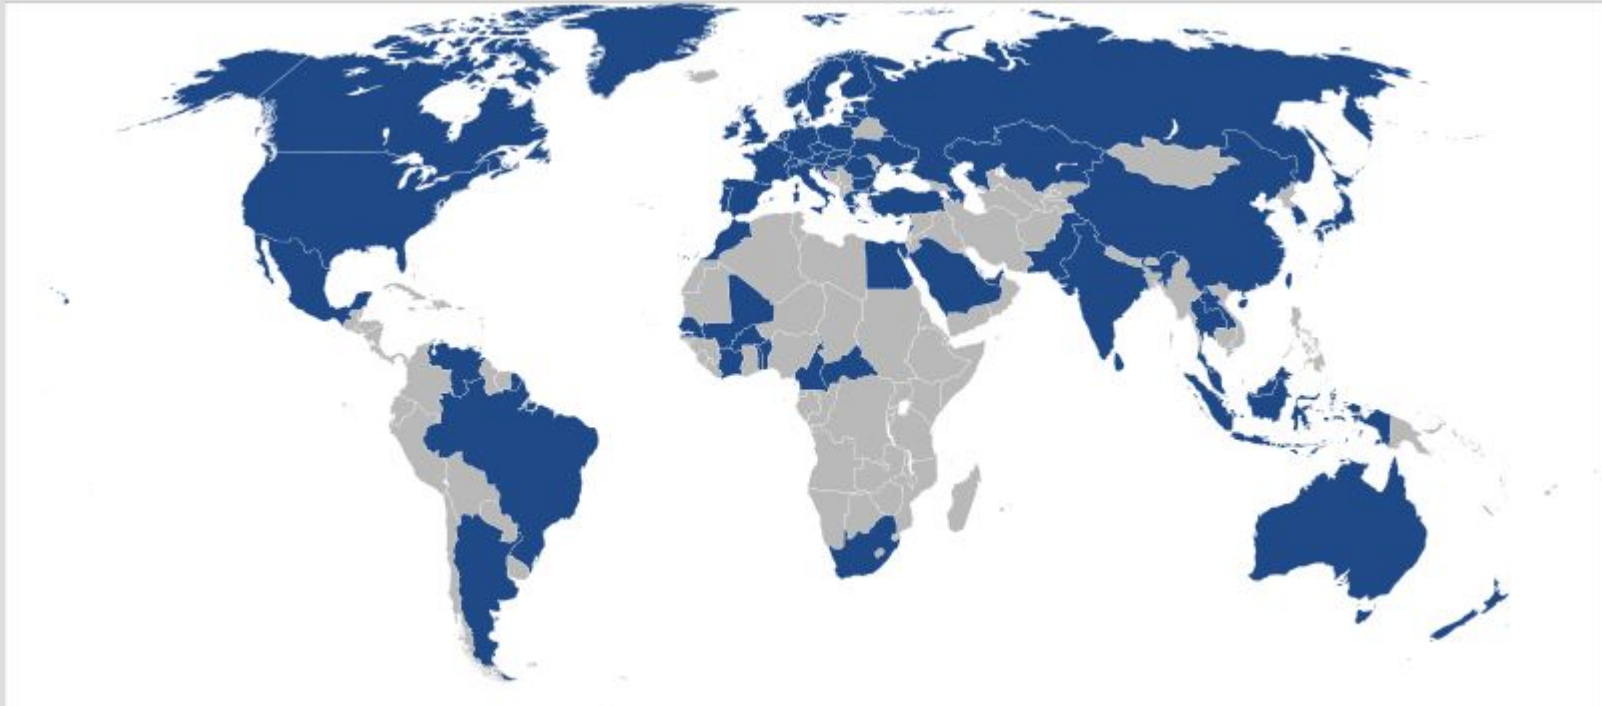

Story:

- Allianz AG was founded in Berlin on 5 February 1890 by Carl von Thieme. The first Allianz products were marine and accident policies first sold only in Germany, however in 1893 Allianz opened its first international branch office in London. Markets entered by 1914 included different European countries, and Allianz had become the largest maritime insurer in Germany.
- During World War II the Berlin headquarters of Allianz were destroyed. After World War II, global business activities were gradually resumed. Were open markets not only in Europe.

Operations:

- Australia, Belgium, Bulgaria, Canada, Colombia, Germany, India, Indonesia, Italy, Malaysia, Pakistan, Slovakia, United Kingdom, United States, etc.

Other:

- Allianz is the owner of several football stadiums. Supports various sports, especially football and racing (formula one).
- Was the main sponsor of the creation of the statue "Molecule Man" in Berlin.
