f) The family names of two men, one a motor enthusiast and the other an engineering genius.

Invent a new product and give it a name. Think about the following points:

What is special or unusual about your product?

Why would people want to use or buy it?

How does the name relate to the product?

Once you have chosen the name for your product prepare a short oral presentation to give to the rest of the class. In your presentation you should describe your product and explain how and why you chose its name. Both of you should speak in the presentation.

Useful phrases that may help you with your presentation:

We would like to introduce our new product...

We chose the name... because...

You can use it to...
