

A person in a grey suit is shown from the chest up, holding a black and silver alarm clock with both hands. The person's face is obscured by a white, featureless mask. The background is a light blue gradient with various glowing white icons: a lightbulb, a dollar sign, a bar chart, a pie chart with '20%' and '40%' labels, a clock, a speech bubble, and gears. The overall theme is business and time management.

The Poll

**Have you noticed the
incremental amount of cars on
our roads nowadays?**

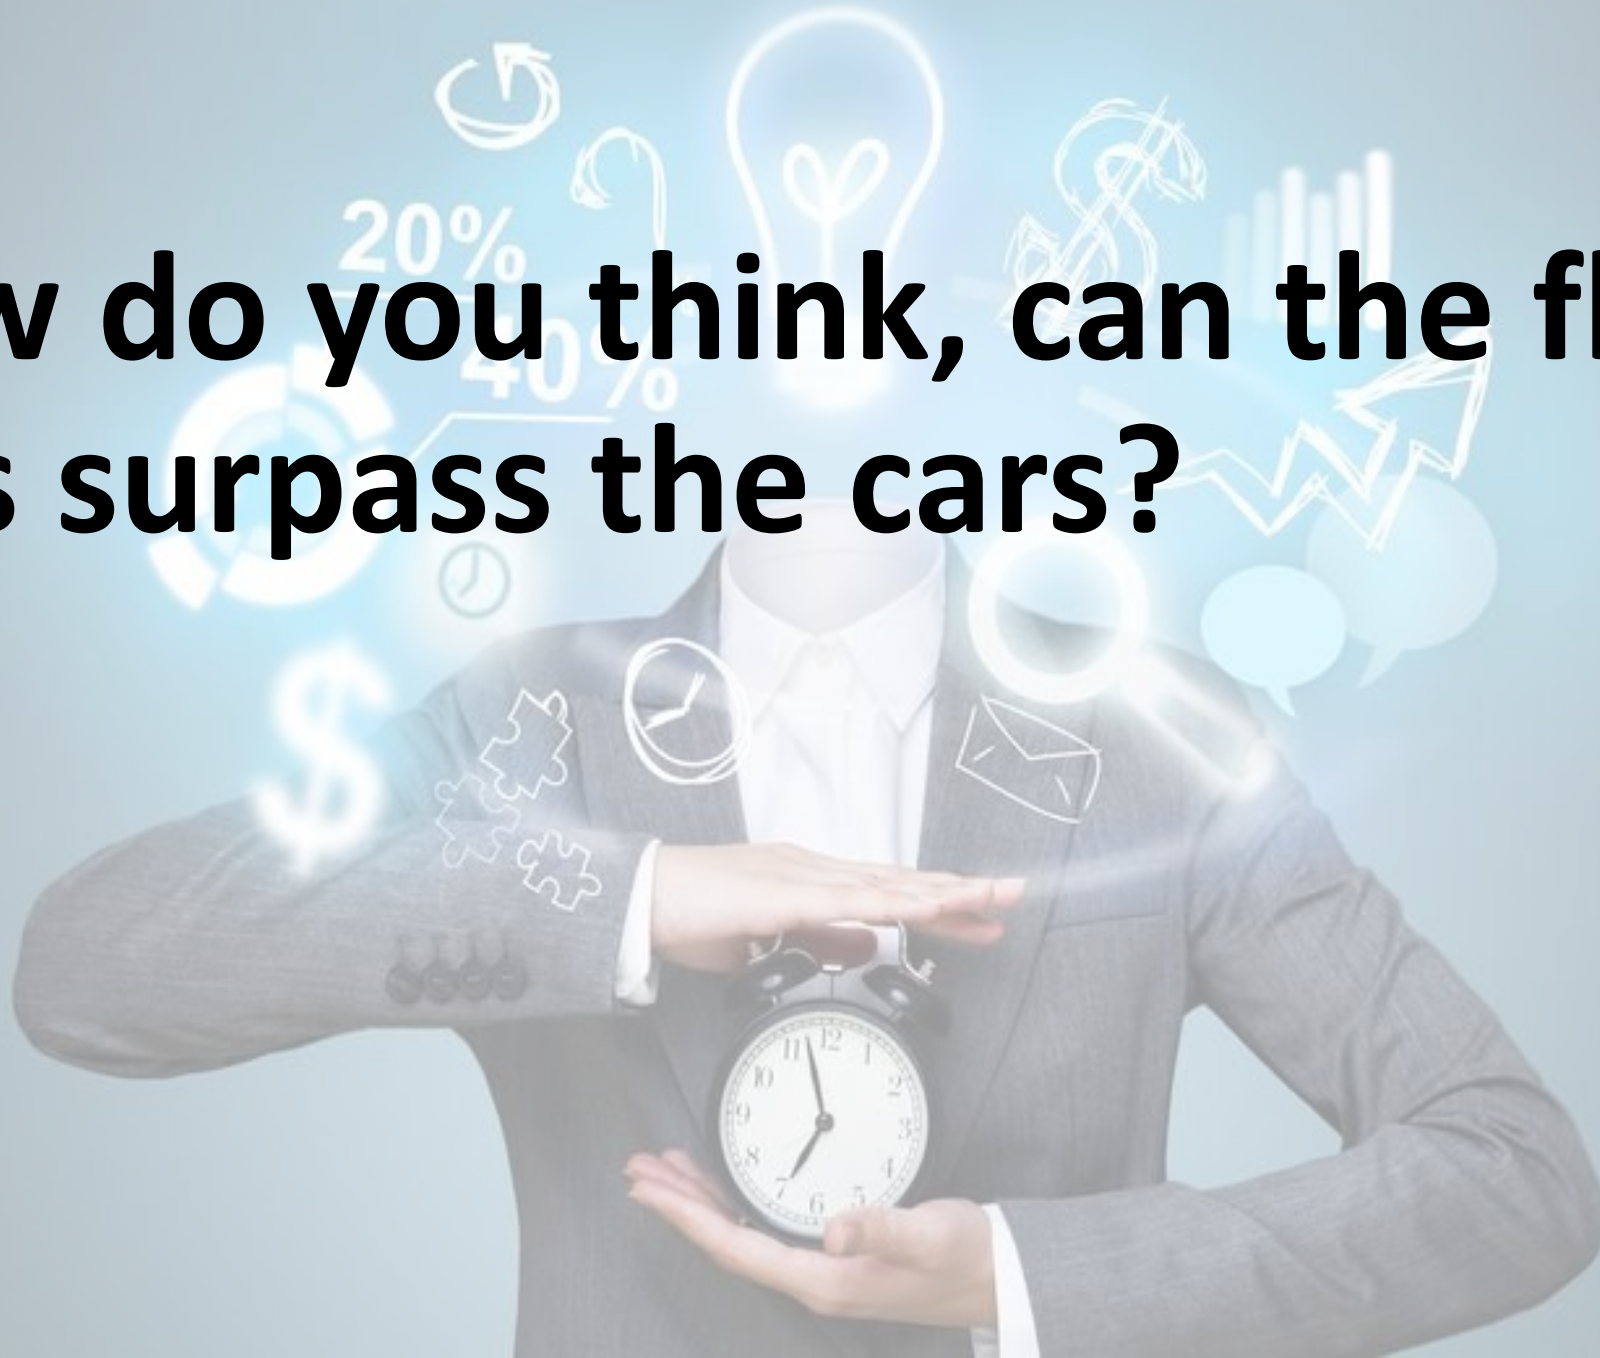

A man in a grey suit and white shirt is shown from the chest up, holding a black and silver alarm clock with both hands. He has a neutral expression. The background is a light blue gradient with various white and glowing icons: a lightbulb, a dollar sign, a bar chart, a pie chart with '20%' and '40%' labels, a clock, a speech bubble, a puzzle piece, a magnifying glass, and a document. The overall theme is business and time management.

Would you like to have a car?

Would you like to have a flying car?

How do you think, can the flying cars surpass the cars?

Thank you for attention
