The screenshot displays a hotel booking engine interface. At the top, there are dropdown menus for 'Residency: United States (US)' and 'Currency: US Dollar (USD)'. Below these are input fields for 'Going to?' (empty), '07/04/2016' (with a calendar icon), and '2 Adults' (with a person icon). There are also buttons for 'Add another room', 'Remove room', and 'Advanced options'. A large orange 'Search' button is at the bottom of the search bar.

Below the search bar, the interface shows a navigation bar with 'Hotels' selected. The main content area is titled 'Sort by Price' and displays search results for 'JEPBFC02' with 177 hotels for Orlando, FL, United States from 14/04/2016 to 16/04/2016. The results are listed in a grid, showing hotel names, star ratings, and prices per night. A map on the right side of the results shows the location of the hotels in Orlando, FL, with blue pins indicating the locations of the hotels.

The search results list includes:

- Days Inn Orlando/Inter... (5858 International Drive, Orlando) - 3 stars - \$37.09 per night
- Ramada Orlando Near Conv... (8342 Jamaican Court, Orlando) - 3 stars - \$37.92 per night
