

Тема урока: «Число два. Цифра 2»

The image illustrates the composition of the number 2 through three examples. Each example consists of a circle divided by a red wavy line into two parts, with one object in each part. Below each circle is a diagram showing the number 2 in a box, connected to two boxes each containing the number 1.

- Example 1:** A circle divided by a red wavy line. The left part contains a red triangle, and the right part contains a yellow triangle. Below it, a box with the number 2 is connected to two boxes, each with the number 1.
- Example 2:** A circle divided by a red wavy line. The left part contains a large pink triangle, and the right part contains a smaller pink triangle. Below it, a box with the number 2 is connected to two boxes, each with the number 1.
- Example 3:** A circle divided by a red wavy line. The left part contains a green square, and the right part contains a green circle. Below it, a box with the number 2 is connected to two boxes, each with the number 1.

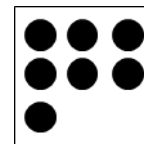

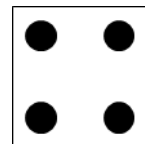

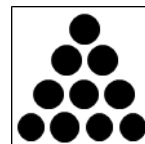

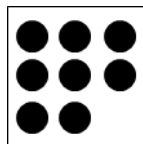

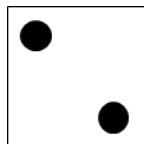

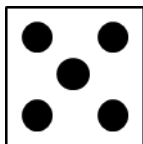

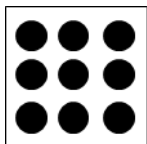

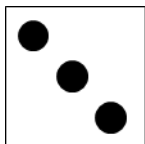

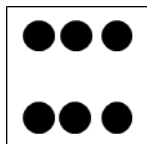

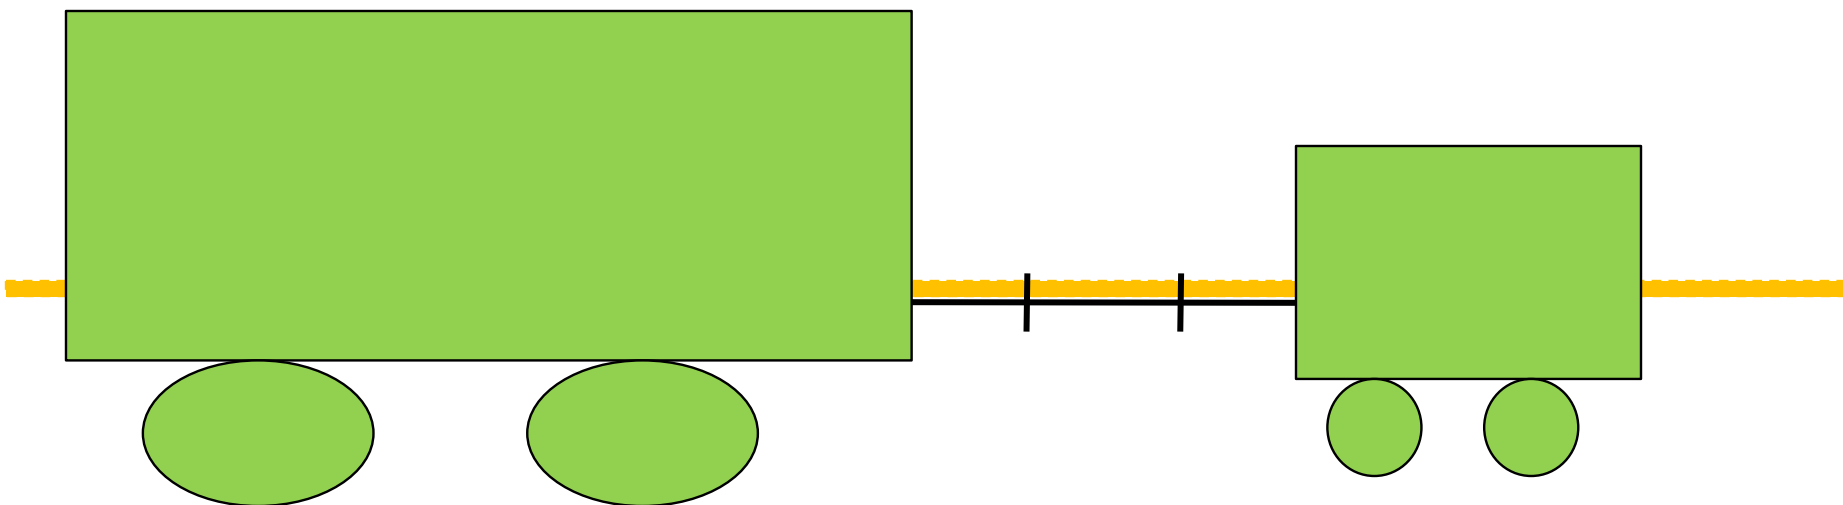

1. Петя собрал игрушечный поезд из вагонов. Помоги ему ответить на вопросы:

Сколько вагонов было?

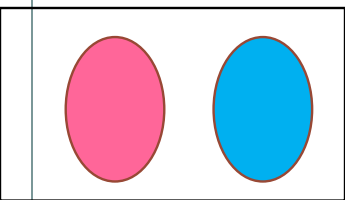

Петя собрал игрушечный поезд из вагонов. Помоги ему ответить на вопросы:

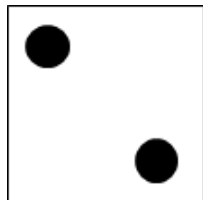

Сколько стало?

Назови количество предметов на каждом рисунке.

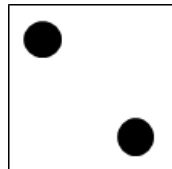

два
