

# «Большой и маленький»

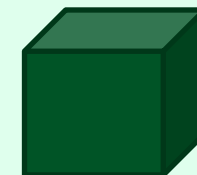

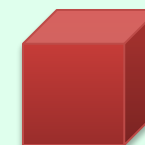

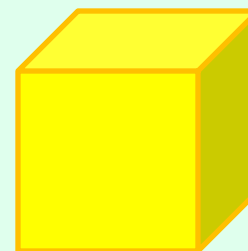

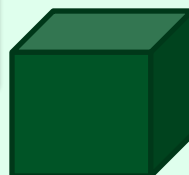

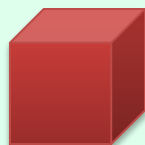

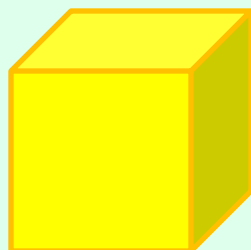

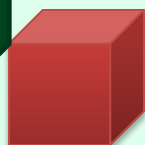

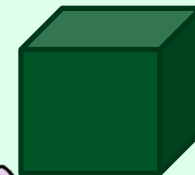

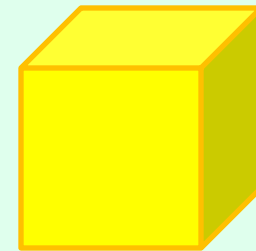

Помоги Топтыгину собрать в большую корзину – большие грибы, а в маленькую корзинку маленькие грибы.

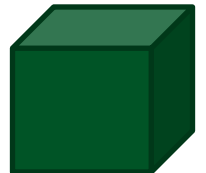

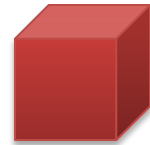

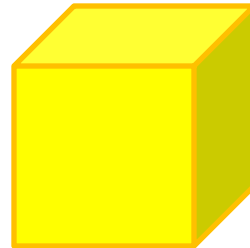

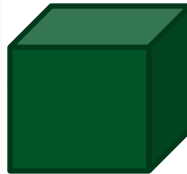

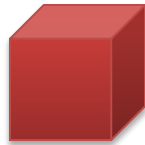

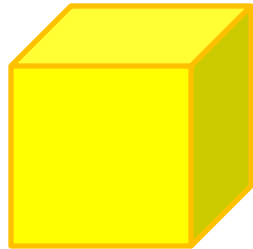

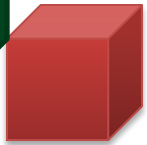

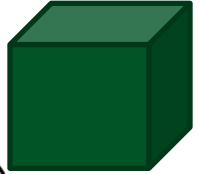

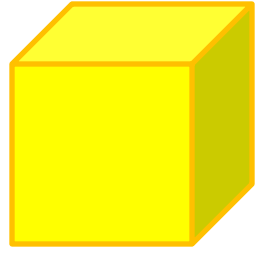

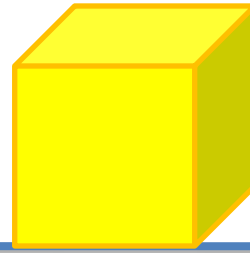

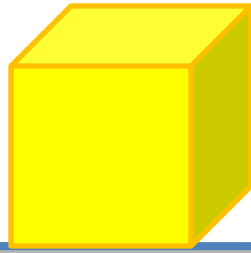

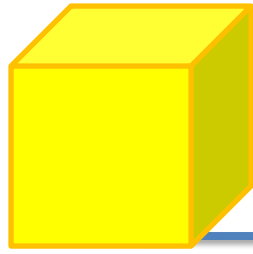

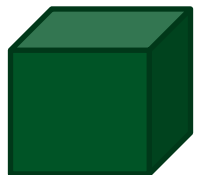

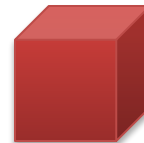

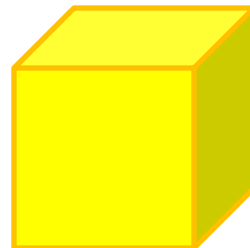

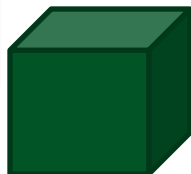

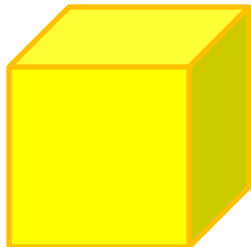

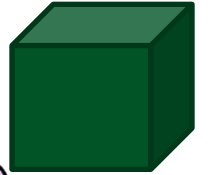

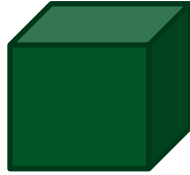

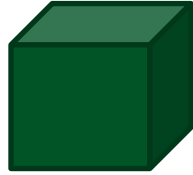

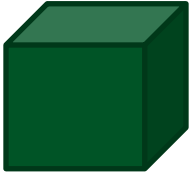

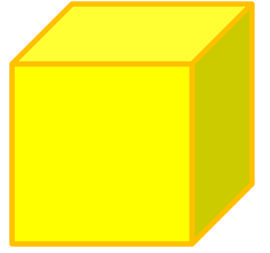

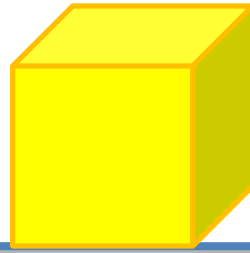

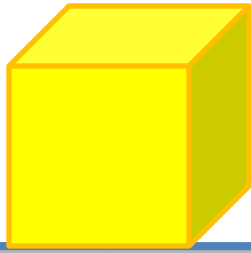

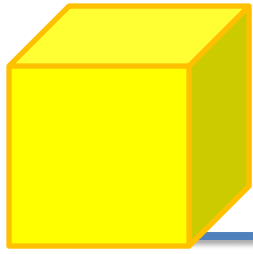

Построй для Тигрёнка поезд из больших кубиков. Для Зайчика из кубиков поменьше. А для Ёжика из маленьких.

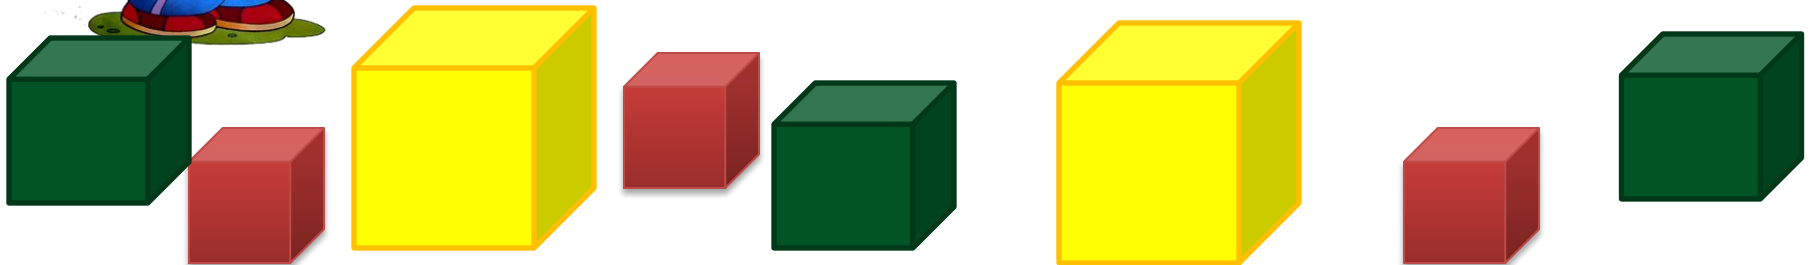

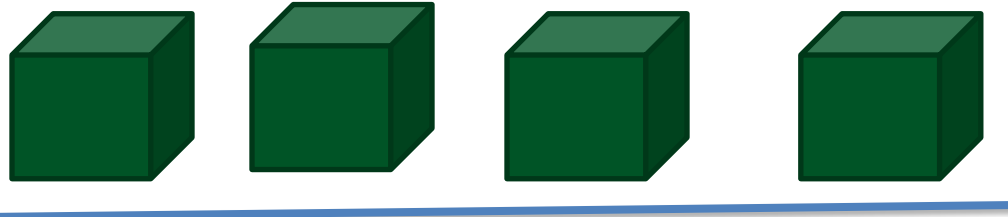

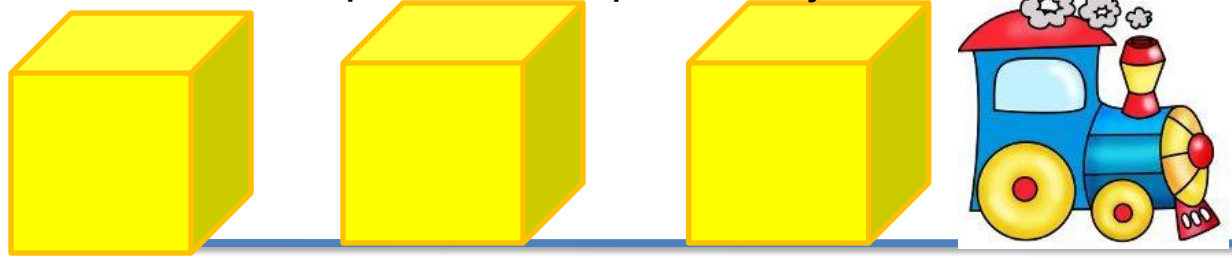

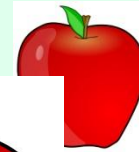

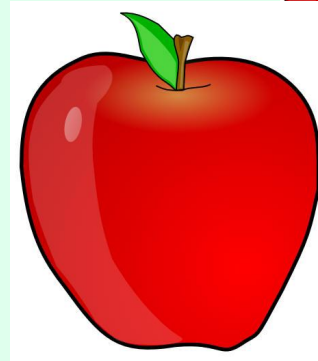

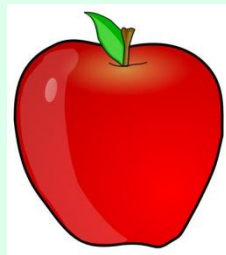

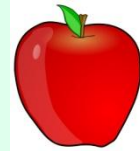

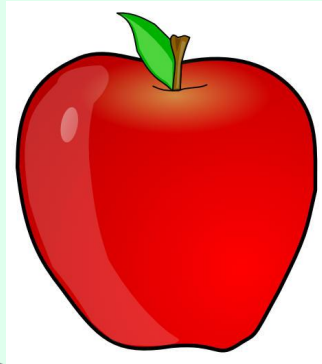

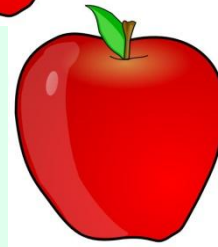

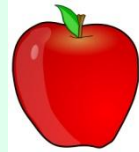

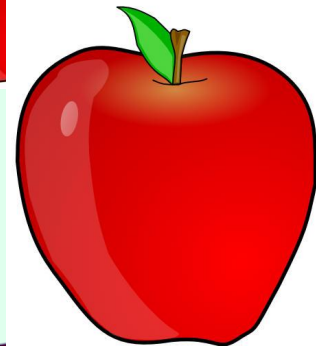

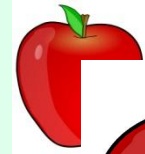

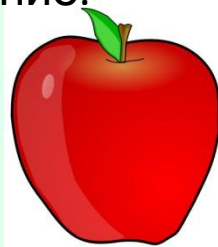

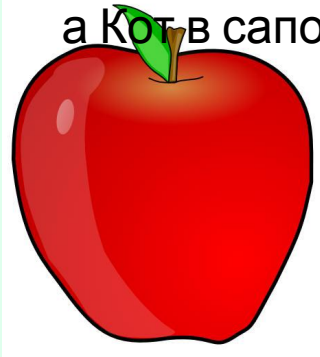

У кого паровозик из красных кубиков?

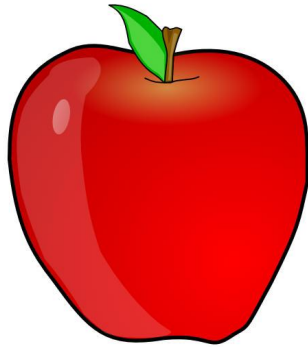

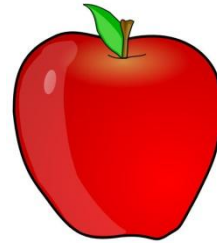

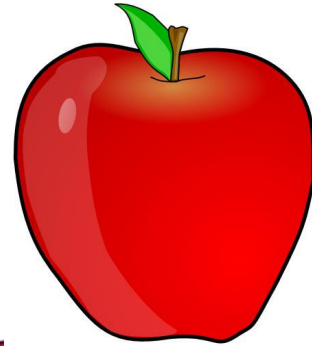

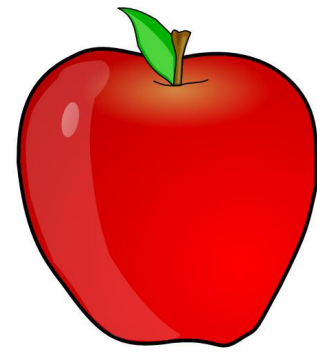

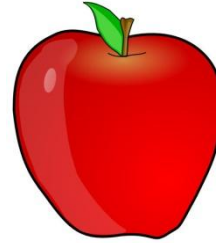

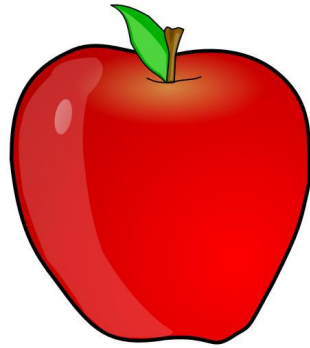

Раздай яблоки. Ежик любит маленькие, Гномик  
большие,  
а Кот в сапогах средние.

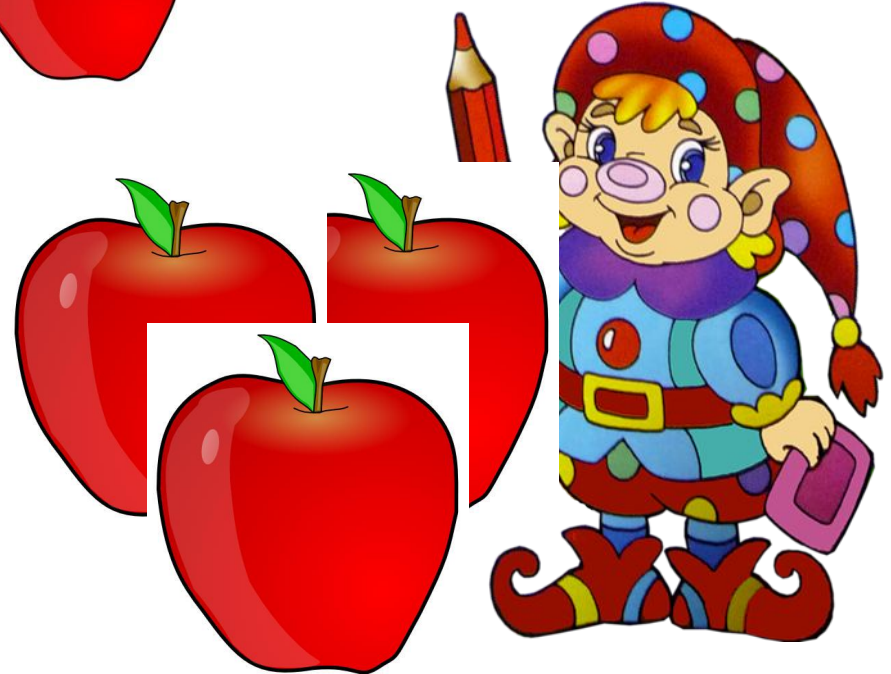

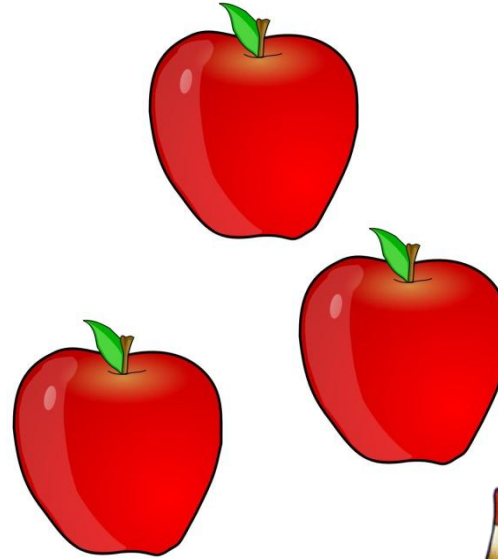

Ежик любит  
маленькие.

Гномик любит большие  
яблоки.

Кот любит средние  
яблоки?
