Слайд 9

The illustration is enclosed in a rounded pink border. In the center is a house-shaped grid with the number 10 at the top. The grid is divided into two columns and five rows. The numbers in the grid are:

10	
1	9
2	8
3	7
4	6
5	5

Surrounding the grid are various colorful elements: two blue clouds in the top left, a smiling yellow sun with a floral crown in the top right, a red flower with a yellow center and green leaves in the bottom left, a small child in a yellow shirt thinking in the bottom left, and a fluffy orange owl wearing a graduation cap and glasses, holding a book and a pointer, in the bottom right.
