

*Наурыз мерекелеріңіз
құтты болсын!*

Е.Өмірбаев атындағы орта мектебі

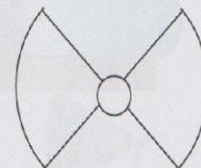

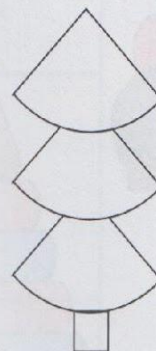

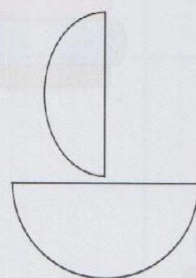

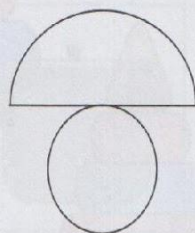

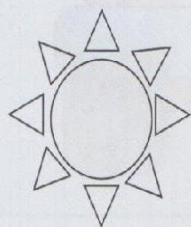

Сабақтың тақырыбы: Бүтін және бөлік

Мақсаты: Фигураларды тең бөліктерге бөлу мен таныстыру,
«жарты», «ширек» түсініктерін бекіту.

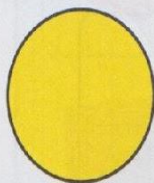

№1 тапсырма

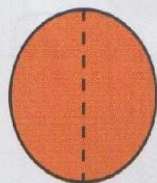

Суреттерді көрсетілген түске боя

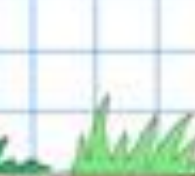

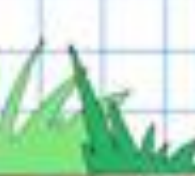

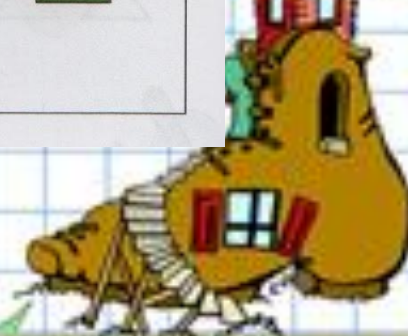

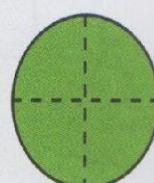

бүтін

жарты

ширек

№2

The image displays three house-shaped counting charts on a grid background. Each house has a triangular roof and a rectangular body divided into two columns. The roofs contain the numbers 7, 8, and 6 respectively. The bodies contain numbered boxes for counting, with the second column being empty for each.
