- После смерти от рака лёгких знаменитого артиста Юла Бриннера по телеканалам США показали его выступление, снятое за несколько месяцев до кончины. Впечатление было ужасающим. «Сейчас когда меня больше нет, предупреждаю вас: не курите. Что бы вы не делали, только не курите. Если бы я мог вернуться назад и бросить курить, не было бы повода обсуждать мой рак. Я в этом убеждён.» - произнёс он.
