Физкультминутка

- Солнце глянуло в кроватку...
- Раз, два, три, четыре, пять.
- Все мы делаем зарядку,
- Надо нам присесть и встать.
- Руки вытянуть пошире,
- Раз, два, три, четыре, пять.
- Наклонится – три, четыре,
- И на месте поскакать.
- На носок, потом на пятку.
- Все мы делаем зарядку.

Задачи.

На пляже было 20 мальчиков, а девочек на 10 больше. Сколько девочек на пляже?

Спасибо за урок!
