A colorful illustration featuring two children, a boy on the left and a girl on the right, both smiling and holding bouquets of blue flowers. They are positioned around a large, open book with blank white pages. Above the book, a red ribbon arches over a collection of school supplies including pencils, pens, and a paintbrush. At the bottom of the book, two golden apples are visible. The entire scene is set against a plain white background.

Добро пожаловать
на урок!

Всё ли мы, ребята, знаем?
Всё ли верно понимаем?
Умным быть сегодня модно.
Узнавать всё год за годом.
Знать полезно всё на свете-
Знают взрослые и дети.
Чтоб родители гордились,
Что вы многому учились.
И чтобы вызвать интерес
Отправляемся мы в лес.

The background of the image features a soft-focus, light green bokeh effect. On the left side, there are branches with vibrant green leaves, some of which are slightly out of focus. Scattered throughout the background are numerous translucent, glowing bubbles of varying sizes, creating a dreamy and ethereal atmosphere. The overall color palette is dominated by various shades of green and white, with a gentle, natural feel.
