Дидактическая игра

«Найди и сосчитай»

1

5

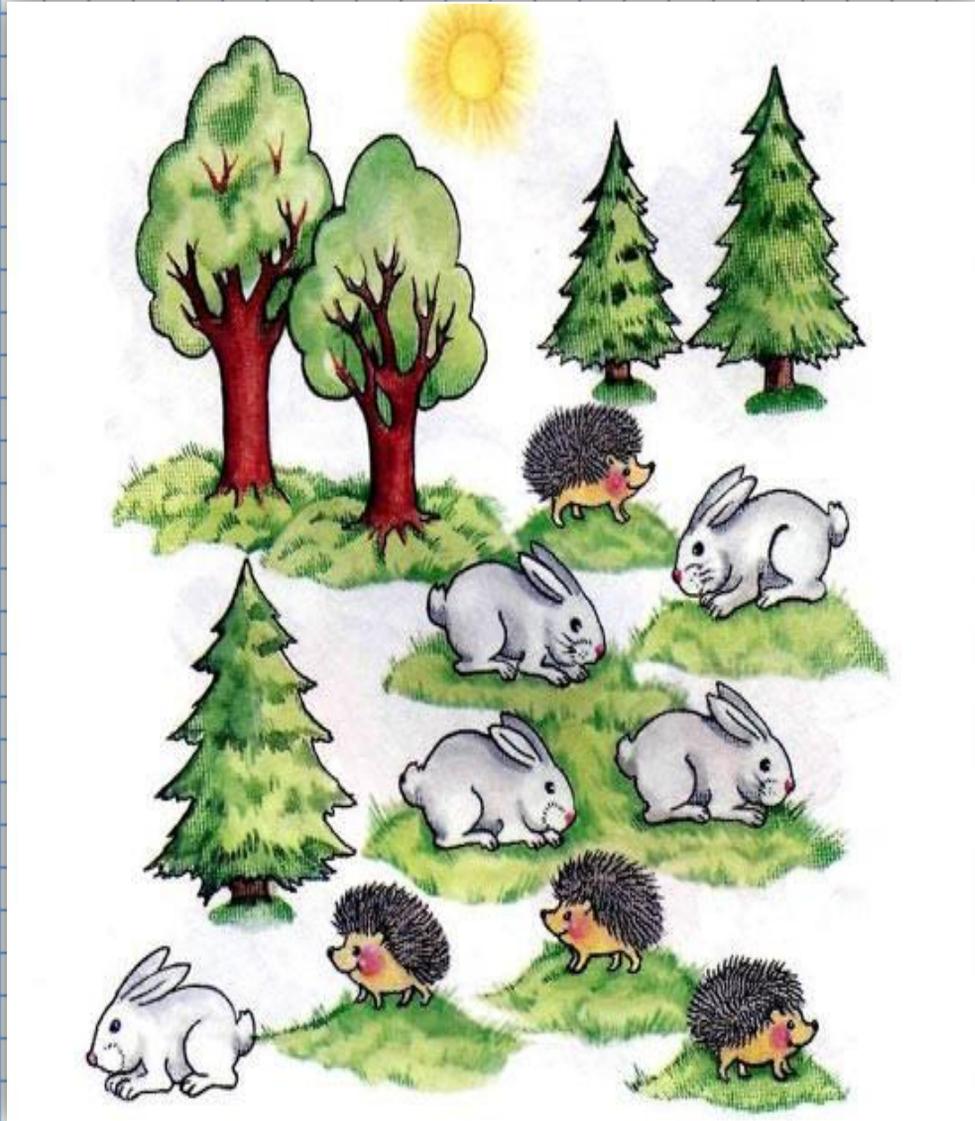

составитель:
Карпова Елена Исааковна
педагог первой
квалификационной
категории

Цель :расширение и углубление представлений детей о количестве предметов и счете.

Задачи: учить пересчитывать предметы, называя итоговое число. Закреплять знания цифр, соотносить их с числом предметов. Развивать внимание.

Правила игры: участники игры должны сосчитать предметы и найти соответствующую цифру.
