Самара, 2015г.

The background is a vibrant, cartoon-style illustration of a spring scene. At the top, a light blue sky is filled with several white, fluffy clouds. Scattered across the sky are several stylized numbers '8' in various colors: red, black, yellow, and purple. Below the sky, a green field is filled with a variety of flowers, including yellow tulips, pink tulips, white daisies, and small blue flowers. Butterflies in various colors (blue, white, brown) are fluttering around the flowers. The overall atmosphere is cheerful and festive.
