The background is a vibrant, painterly illustration of a forest scene. A small stream flows through the center, surrounded by lush green moss and ferns. In the foreground, two adult lynxes and a small cub are walking towards the viewer. The forest is filled with tall, thin trees and dense foliage, with sunlight filtering through the canopy.

The background is a vibrant, painterly illustration of a forest scene. A small, clear stream flows through the center, surrounded by lush green moss and ferns. In the foreground on the left, two adult lynxes and a small cub are walking towards the viewer. The forest is filled with tall, thin trees and dense green foliage, with sunlight filtering through the canopy.

The background is a vibrant, painterly illustration of a forest scene. In the foreground, two adult lynxes and a small cub are walking towards the viewer. The adult lynxes are brown with dark spots and white underparts. The cub is smaller and follows them. They are walking on a mossy bank next to a small, flowing stream. The forest is lush with green trees and foliage. The sky is visible through the trees, showing a blue and white sky.

The background is a vibrant, painterly illustration of a forest scene. In the foreground, two adult lynxes and a small cub are walking towards the viewer. They have brown fur with dark spots and white underparts. Behind them, a small stream flows through a lush green forest with tall evergreen trees. The scene is bright and sunny, with dappled light filtering through the trees.
