The background of the image is a dense forest of trees with vibrant autumn foliage in shades of yellow, orange, and red. Overlaid on this background are several large, detailed maple leaves in similar colors. The leaves have prominent veins and some show signs of being eaten, with small holes visible. The mathematical problems are written in a black serif font across the leaves.
$$254 + 190$$

$$\frac{2}{3} \text{ от } 18$$

$$620 - 494$$

$$2304 \cdot 3$$

$$780 : 60$$

$$\frac{1}{8} = 15$$
