8 9 10

$$2 - 1 = 1$$

A subtraction problem is displayed on a wooden background. The number 10 is on the left, followed by a minus sign, the number 1, an equals sign, and the number 9. The numbers 10 and 1 are light blue with a dark blue outline and a slight shadow. The number 9 is a darker blue with a dark blue outline and a slight shadow. The minus and equals signs are black with a white outline.

$$10 - 1 = 9$$
