The illustration shows a house-shaped grid with the number 10 at the top. The grid is divided into two columns and five rows. The numbers in the grid are:

10	
1	9
2	8
3	7
4	6
5	5

Surrounding the grid are various colorful elements: two blue clouds, a smiling sun with a flower crown, a girl thinking, a large red flower, and a professor owl holding a book and a pointer.
