

The background of the slide features a colorful illustration of seven dwarfs from the Disney movie Snow White. They are gathered around a small golden scale where a yellow and black butterfly is perched. The dwarfs have large, prominent noses and are wearing various colored hoods (purple, orange, red, orange, blue, yellow). In the top left corner, there are several colorful parrots perched on a branch. The scene is set in a lush, green forest with a wooden house visible in the background.
