**Под одним из кубиков спрятан Колобок.  
Служанка Ошибка (можно назвать  
иначе) предлагает решить примеры. За  
кубиком с правильным ответом спрятан  
Колобок. Нужно кликать на кубике с  
правильным ответом. Слайды можно  
копировать и вставлять в свои  
презентации. Все картинки в  
презентации нарисованы в программе  
Хара Xtreme Pro 5.**
