учитель математики I категории

МКОУ «Хотьковская СОШ»

Думиничского района Калужской области

Наталья Николаевна Коломина

Математический или числовой ребус –

*это логическая
головоломка,
представляющая собой
примеры простых
арифметических действий
в которых часть или все
цифры заменены на точки,
звездочки, буквы или другие
символы. Решить ребус –
означает восстановить
первоначальный вид
математического
равенства.*
