The background of the image is a dark, textured sea with white foam from waves. Three white seagulls are captured in flight, their wings spread wide, moving from the top left towards the bottom right. The text is overlaid on the image in a bright cyan color.

Над волнами чайки
кружат,
Полетим за ними
дружно.

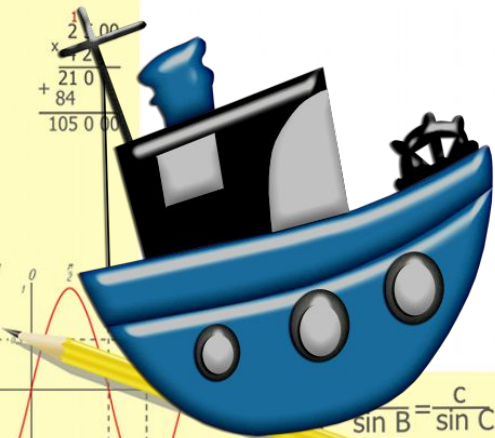

А над морем —
мы с тобою!
Мы теперь плывём
По морю
И резвимся
На просторе.

Брызги пены,
шум прибоя,

Веселее
Загребай
И дельфинов
догоняй!

ЗАДАЧА .

В порт плывет два корабля. На первом корабле 7 моряков, на втором в 3 раза больше. Сколько моряков на двух кораблях?

- $2 \times 2 = 4$
