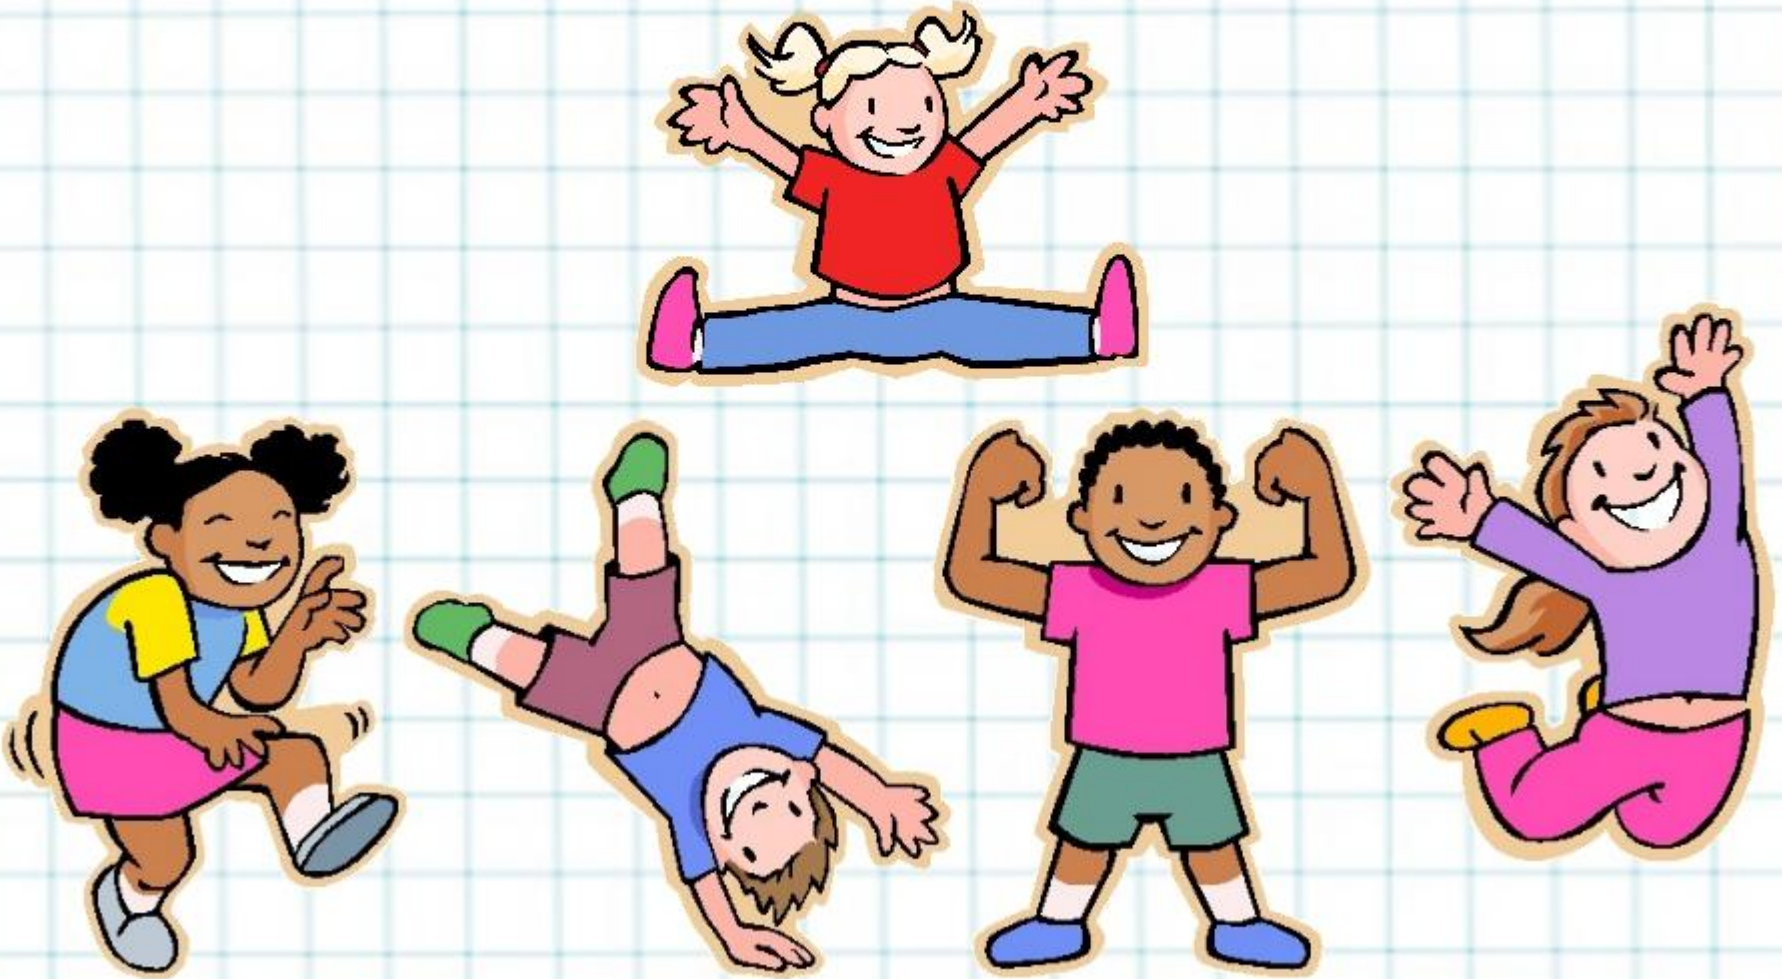
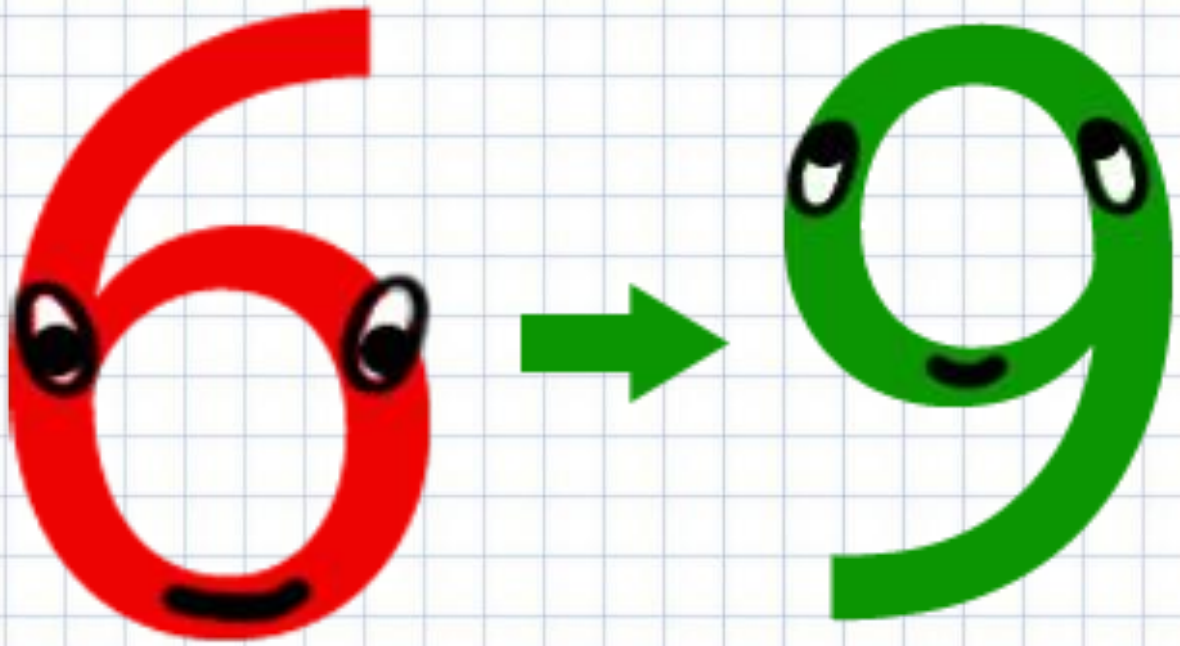
Физкультминутка.



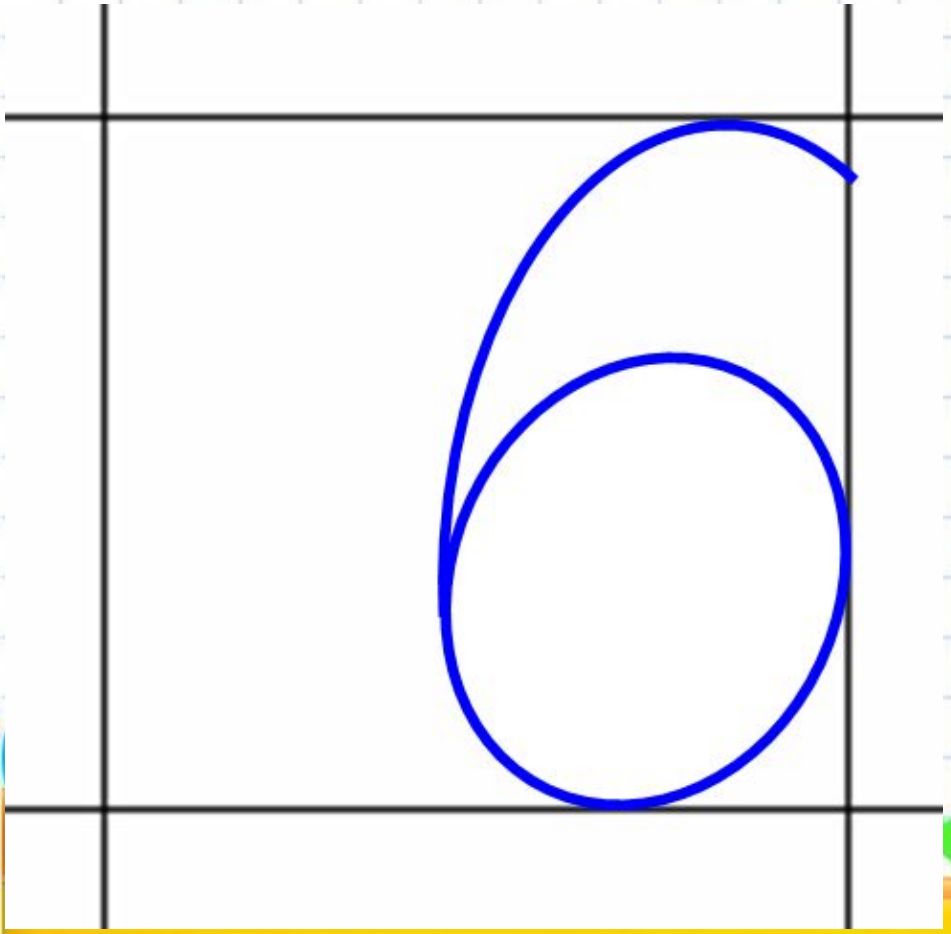
6

Цифра шесть –
дверной замочек:
Сверху крюк, внизу
кружочек.

С. Маршак



http://alda.ucoz.ru



Нет углов у цифры шесть,
Лишь дуга с кружочком есть.
Ты с дуги писать начни,
И кружочком оберни.

Цифру шесть писать легко:
Ни штришков, ни уголков!
За рукой своей следи,
Плавно линию веди!
