«Дорогие ребята, мы знаем, что вы любите смотреть мультфильмы о нас, поэтому надеемся на вашу помощь. Нолик растерял все винтики, которые нужны для ремонта телевизора. Помогите Нолику отыскать винтики.»

**«Спасибо, что помогли отыскать винтики, теперь мы
сможем починить телевизор.**

**Ребята, возьмите листы в клеточку, дорисуйте
недостающую часть предмета. Это наш вам подарок.
Будьте внимательны! Удачи!»**
