БОЛЬШЕ МЕНЬШЕ РАВНО

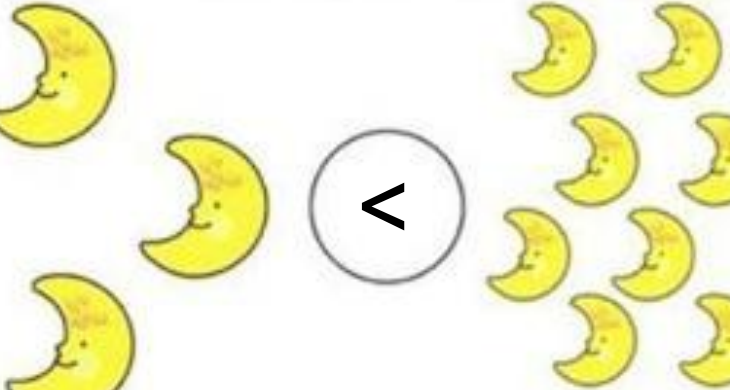

Four boys in blue overalls are on the left, and one girl in a light blue shirt and green pants with a pink bow is on the right. A large circle with a greater-than sign (>) is in the center.

< = >

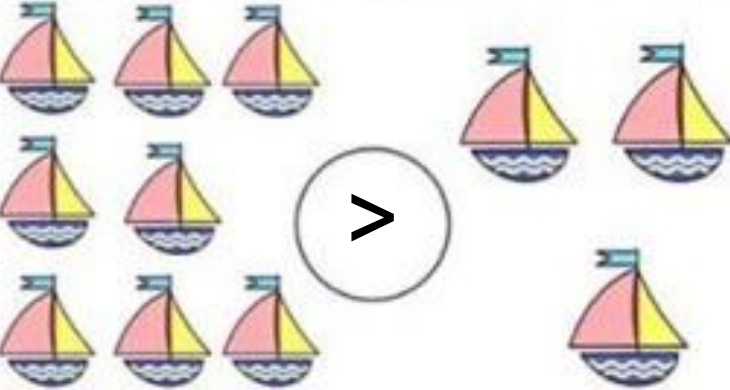

Seven hats are on the left, and six hats are on the right. A large circle with a less-than sign (<) is in the center.

< = >

Three moons are on the left, and eight moons are on the right. A large circle with a less-than sign (<) is in the center.

< = >

Nine sailboats are on the left, and three sailboats are on the right. A large circle with a greater-than sign (>) is in the center.

< = >

БОЛЬШЕ МЕНЬШЕ РАВНО

$$6-4 < 5+1$$

$$8+1 > 6-3$$

$$8-3 = 5+0$$

$$3+2 < 4+2$$

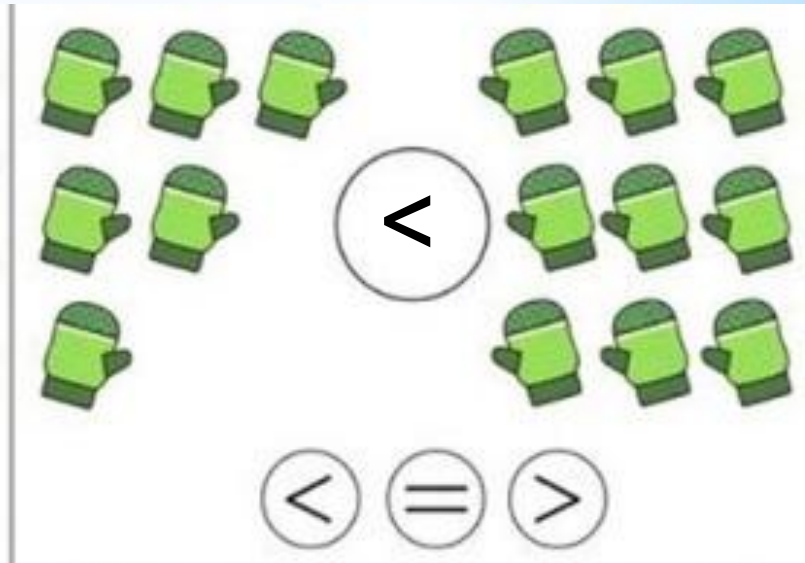

$$9-2 = 3+4$$

$$5+1 > 9-5$$

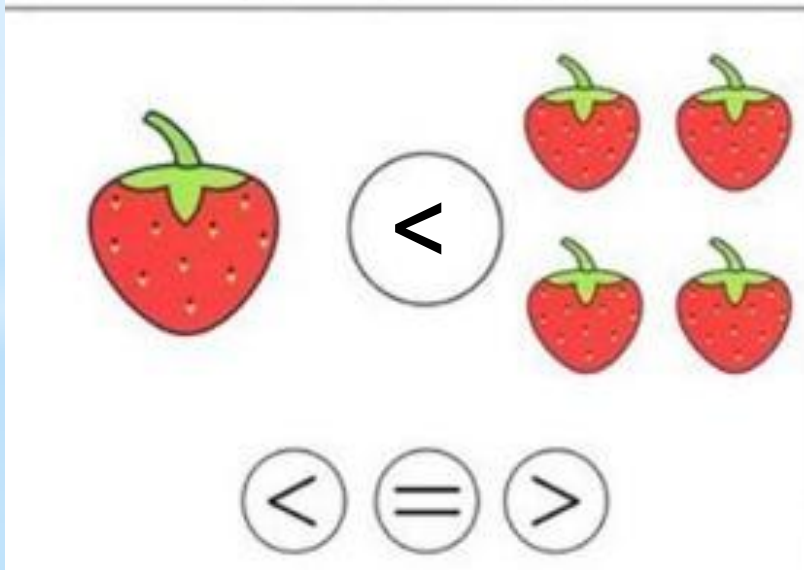

БОЛЬШЕ МЕНЬШЕ РАВНО

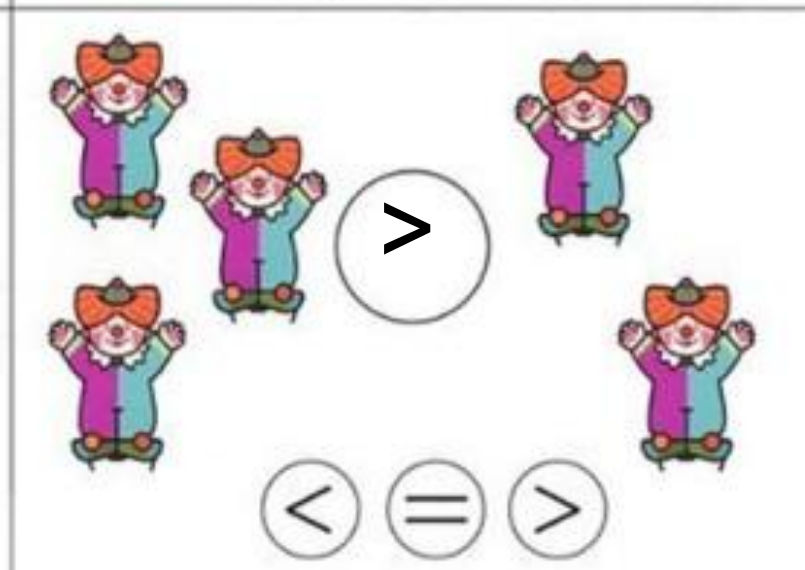

A visual comparison of two groups of green stars. The left group consists of 8 stars arranged in two columns of four. The right group consists of 12 stars arranged in three columns of four. A large circle containing a less-than sign (<) is positioned between the groups. Below the groups are three smaller circles containing the symbols <, =, and >.

A visual comparison of two groups of green gloves. The left group has 5 gloves arranged in three rows (two in the top row, two in the middle, and one in the bottom). The right group has 12 gloves arranged in three columns of four. A large circle containing a less-than sign (<) is positioned between the groups. Below the groups are three smaller circles containing the symbols <, =, and >.

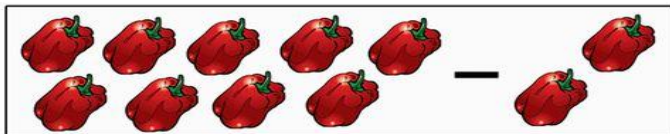

A visual comparison of two groups of strawberries. The left group has 1 strawberry. The right group has 4 strawberries arranged in two rows of two. A large circle containing a less-than sign (<) is positioned between the groups. Below the groups are three smaller circles containing the symbols <, =, and >.

A visual comparison of two groups of clown figures. The left group has 3 clowns arranged in two rows (two in the top row and one in the bottom). The right group has 2 clowns arranged in two rows (one in the top row and one in the bottom). A large circle containing a greater-than sign (>) is positioned between the groups. Below the groups are three smaller circles containing the symbols <, =, and >.

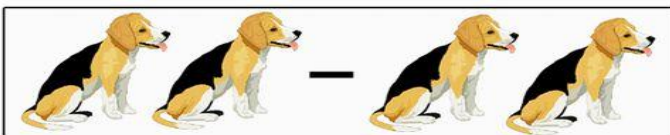

СЛОЖЕНИЕ И ВЫЧИТАНИЕ

Вычитание

9 red peppers minus 2 red peppers equals 7

$$9 - 2 = 7$$

4 dogs minus 4 dogs equals 0

$$4 - 4 = 0$$

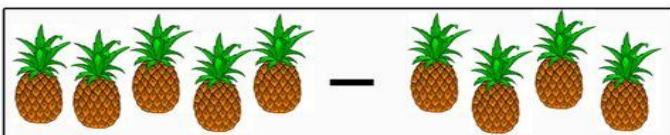

3 ships minus 1 ship equals 2

$$3 - 1 = 2$$

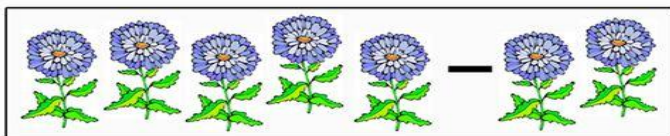

8 glasses of iced tea minus 3 glasses of iced tea equals 5

$$8 - 3 = 5$$

5 pineapples minus 4 pineapples equals 1

$$5 - 4 = 1$$

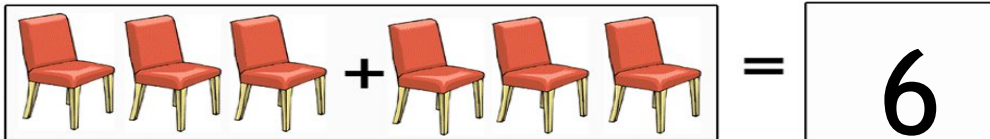

6 flowers minus 3 flowers equals 3

$$6 - 3 = 3$$

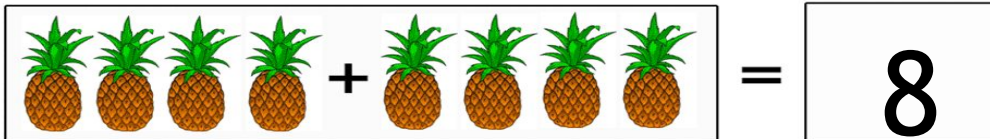

СЛОЖЕНИЕ И ВЫЧИТАНИЕ

Сложение

$$2 + 2 = 4$$

$$3 + 3 = 6$$

$$1 + 1 = 2$$

$$4 + 4 = 8$$

$$3 + 4 = 7$$

$$2 + 1 = 3$$

СЛОЖЕНИЕ И ВЫЧИТАНИЕ

$5+3=8$ $7-3=4$ $3+6=9$ $4-4=0$

$2+7=9$ $6-2=4$ $5+2=7$ $10-5=5$

$6+4=10$ $9-6=3$ $9+1=10$ $8-2=6$

$1+1=2$ $10-0=10$ $4+5=9$ $10-8=2$
