$$2 - 1 = 1$$

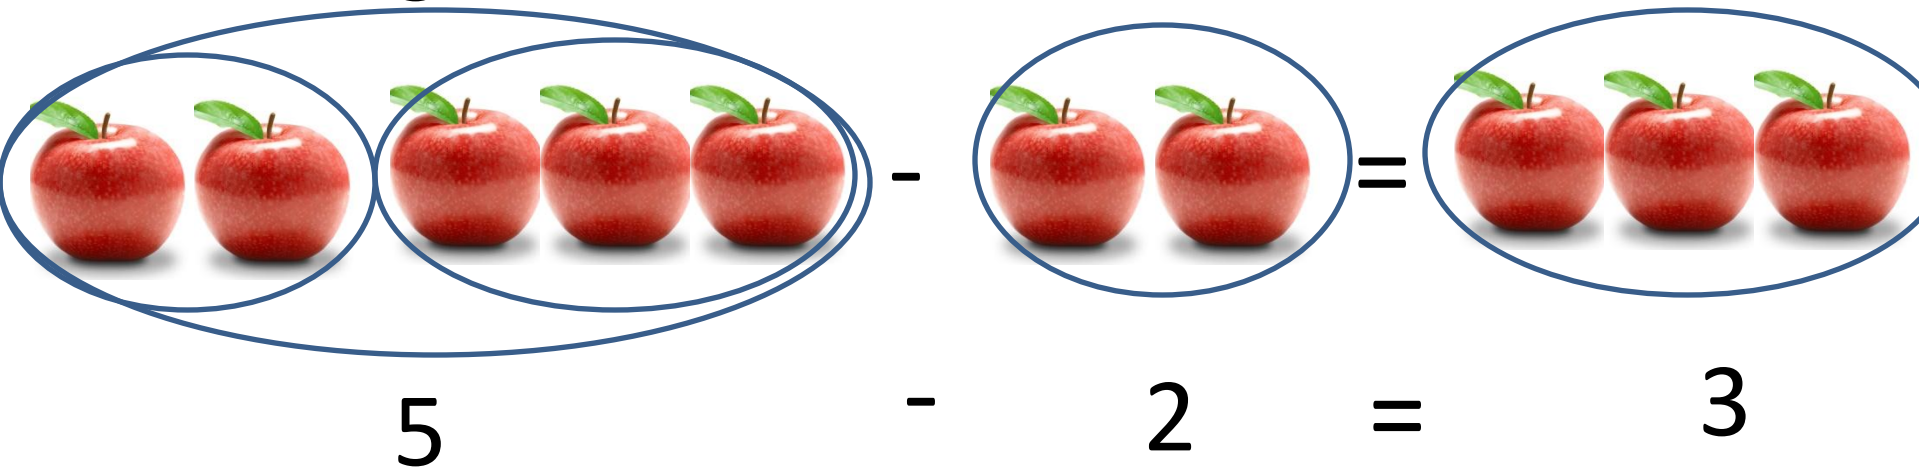

A visual equation showing 2 apples in a blue oval, followed by a plus sign, 3 apples in a blue oval, an equals sign, and 5 apples in a larger blue oval. Below the apples are the numbers 2, +, 3, =, and 5.

$$2 + 3 = 5$$

A visual equation showing 5 apples in a large blue oval, followed by a minus sign, 3 apples in a blue oval, an equals sign, and 2 apples in a blue oval. Below the apples are the numbers 5, -, 3, =, and 2.

$$5 - 3 = 2$$

A visual equation showing 5 apples in a large blue oval, followed by a minus sign, 2 apples in a blue oval, an equals sign, and 3 apples in a blue oval. Below the apples are the numbers 5, -, 2, =, and 3.

$$5 - 2 = 3$$
