

Виды правильных многоугольников

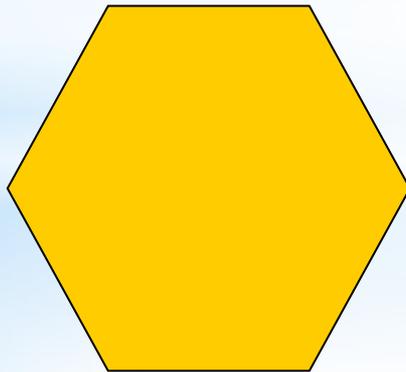

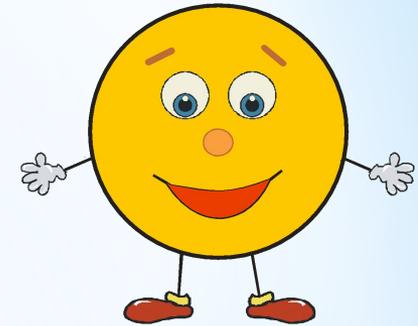

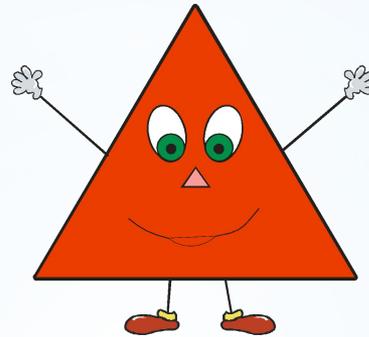

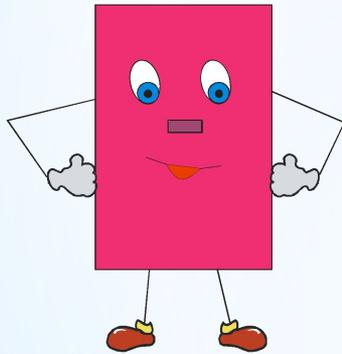

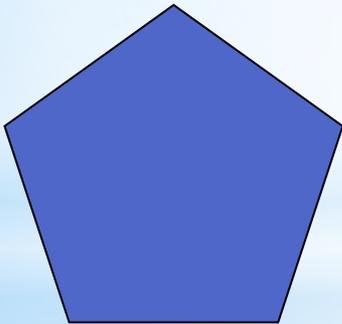

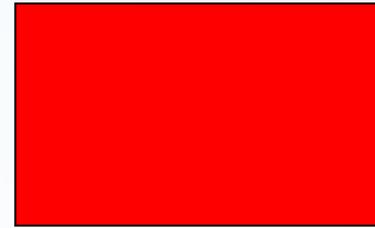

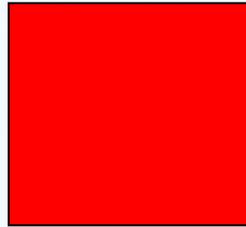

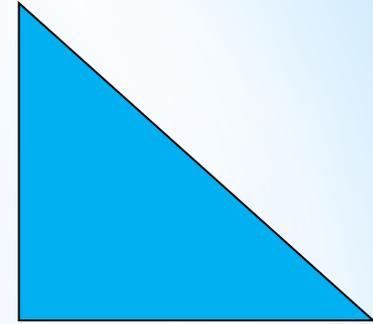

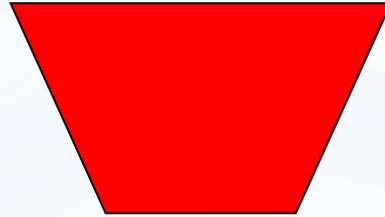

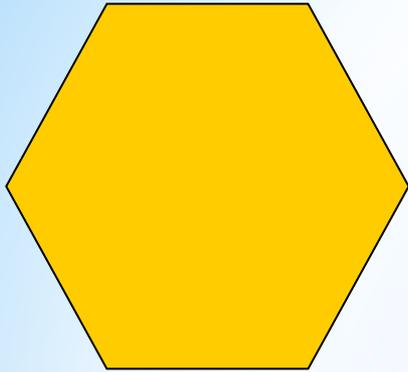

** Знакомимся с*

многоугольниками

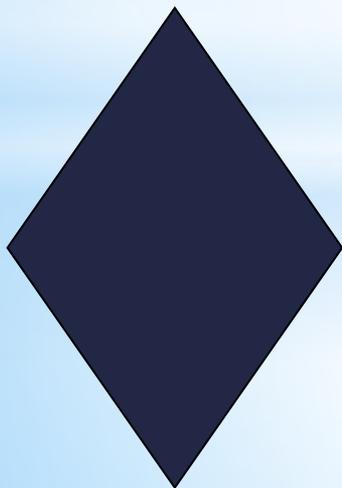

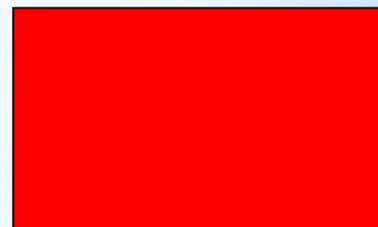

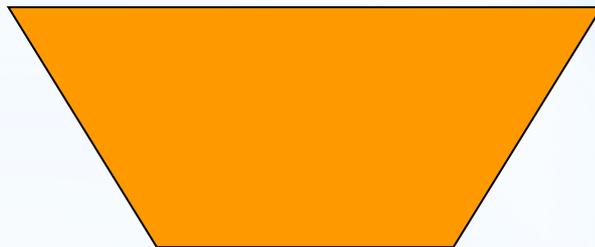

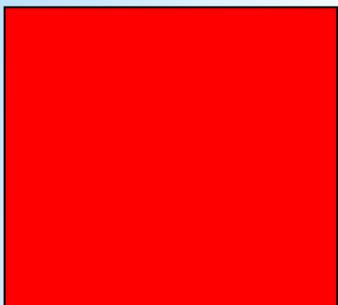

Презентацию подготовила учитель начальных классов
Воронина Р.В.

Кто лишний и почему?

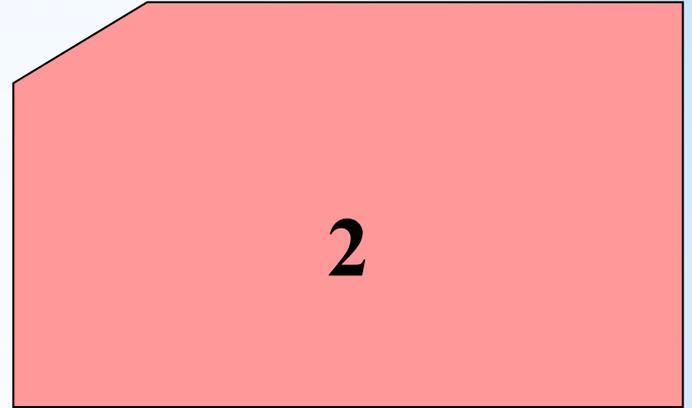

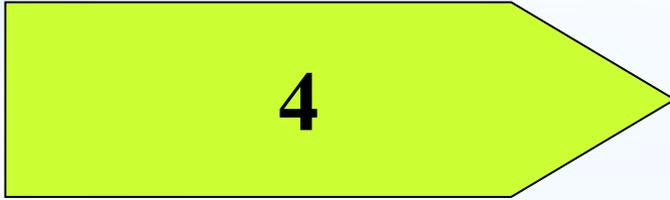

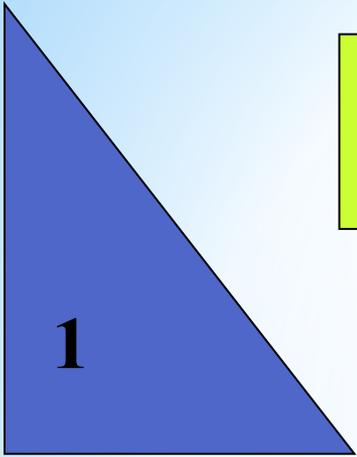

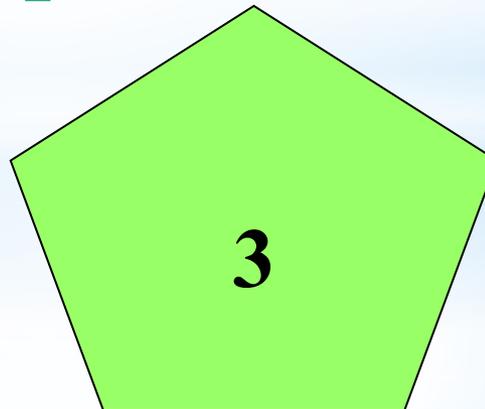

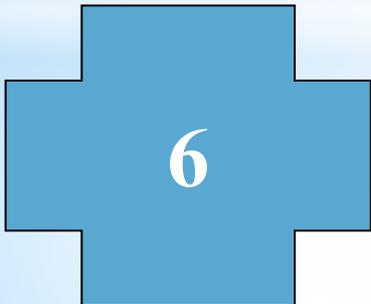

**Сколько углов, вершин,
сторон
у каждой фигуры?*

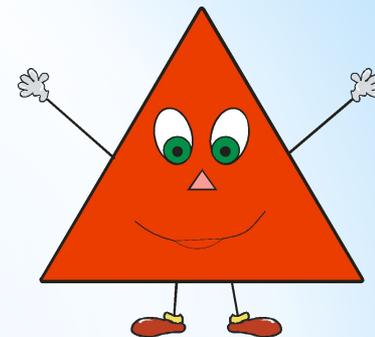

** Назови каждый
многоугольник
по - другому*

** Подумай и раздели на группы*

РЕЛАКСАЦИЯ

* *Сегодня на уроке я...*

* **было интересно...**

* **было трудно...**

* **больше всего понравилось...**

Своей работой на уроке я...

* **доволен**

* **я не доволен, потому что...**
