

$$4+6=10$$

$$7+3=10$$

$$9+1=10$$

$$8+2=10$$

A colorful house-shaped grid with a pink roof. Inside the roof is a brown circle containing the number 1 above the number 0. The main body of the house is a 5x2 grid of colored squares, each containing a number from 1 to 9. The numbers are arranged in ascending order from bottom-left to top-right.
