

# Колобок

A vibrant, cartoon-style illustration of a forest scene. In the center, a grey rabbit with large ears and a blue tunic with yellow trim is smiling and holding a small orange squirrel. To the right, a brown owl with large yellow eyes sits on a green branch. In the top left, a smiling sun with a face and a crown is partially obscured by green leaves. In the bottom left, a girl with a large orange sun-like headpiece and a yellow hat is visible. The background is filled with green foliage, a red mushroom with white spots, and a wicker basket on the ground. The overall scene is bright and cheerful.
