## 1. Отгадай загадку - шутку

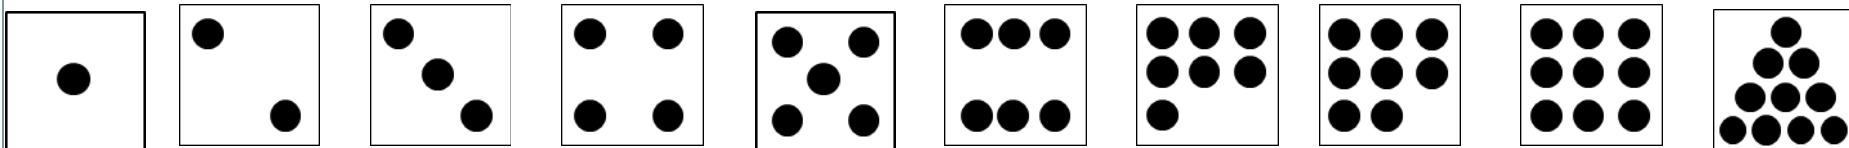

### Барсучиха

Барсучиха-бабушка  
Напекла оладушков.  
Угостила двух внучат —  
Двух драчливых барсучат,  
А внучата не наелись,  
С рёвом блюдцами стучат!  
Ну-ка, сколько барсучат  
Ждут добавки и молчат?

(НИСКОЛЬКО)

• Обозначить число воспитанных барсучат моделями числа.

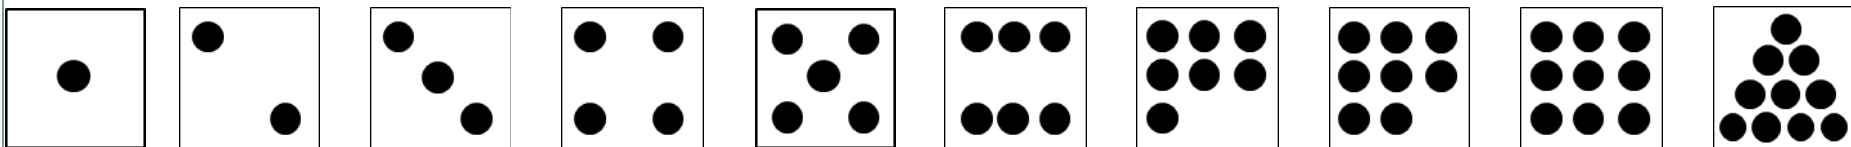

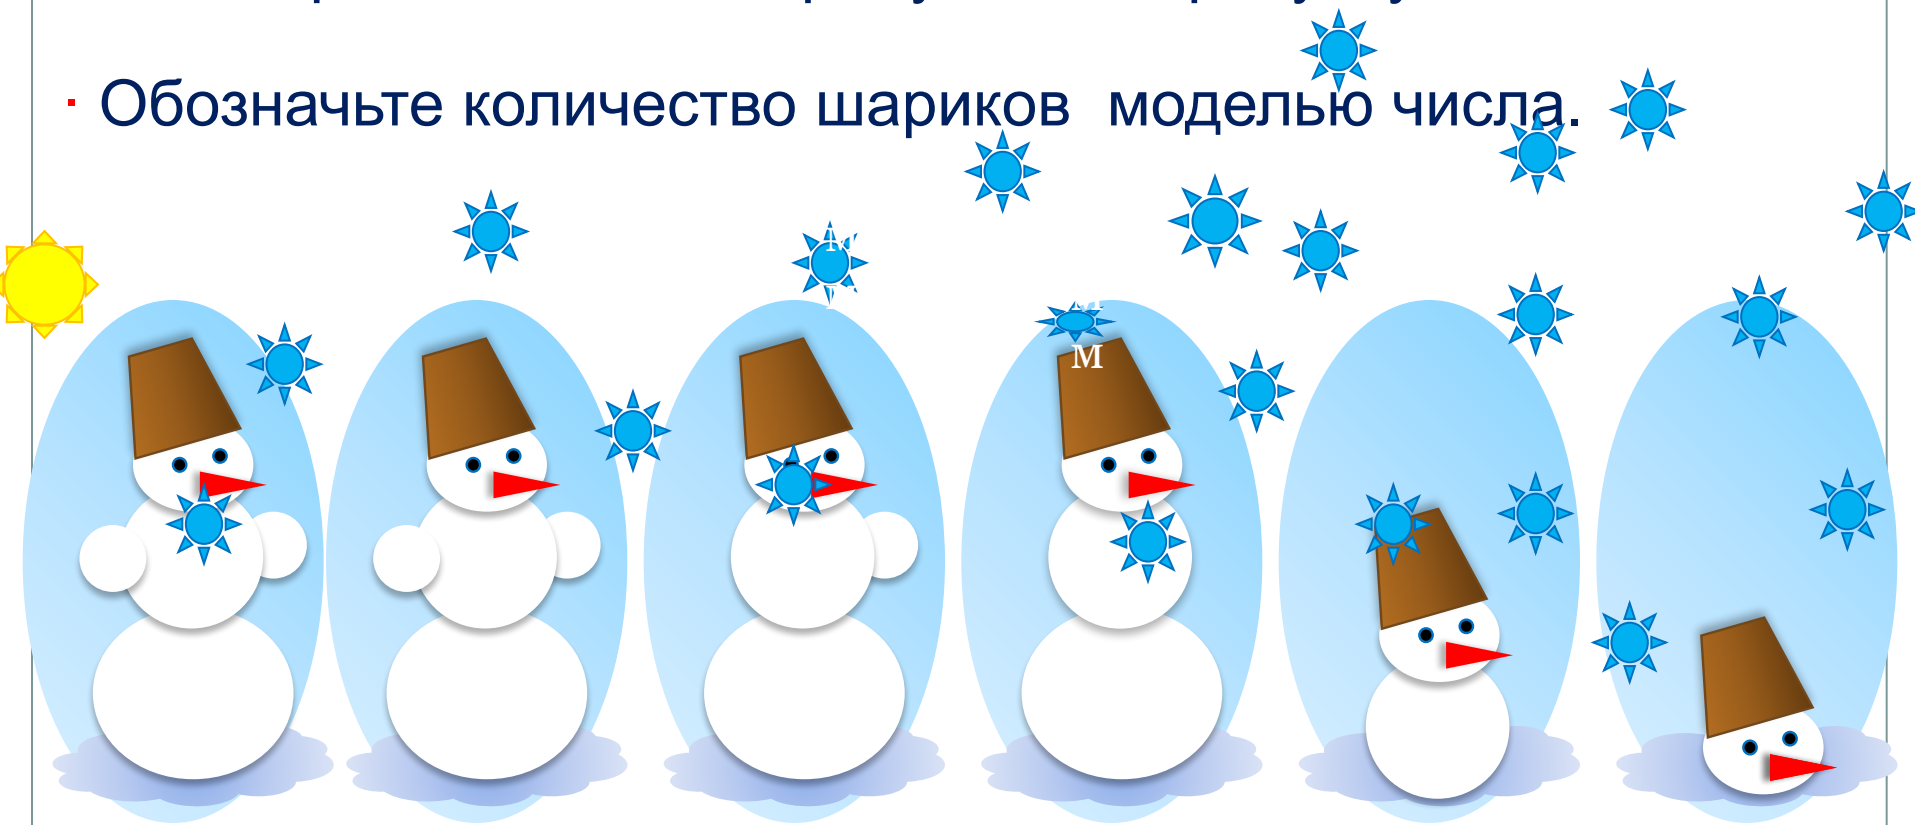

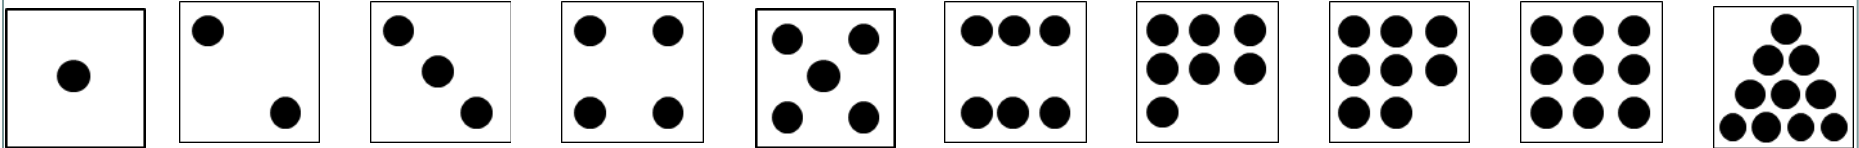

## 2. Помоги Пете ответить на вопросы.

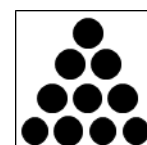

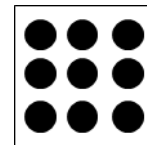

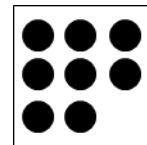

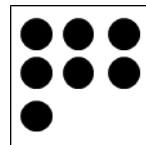

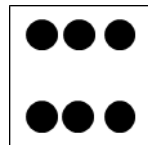

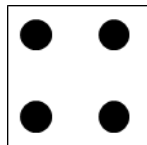

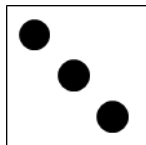

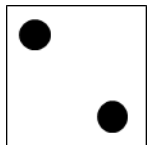

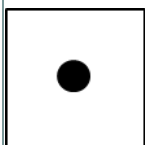

- Сколько дедушек учится в нашем классе?
- Сколько говорящих собак ты знаешь?
- Сколько знакомых тебе кошек умеют вышивать?

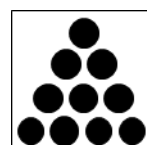

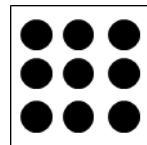

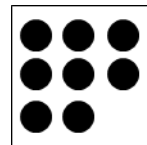

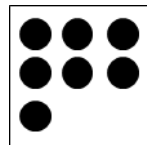

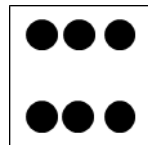

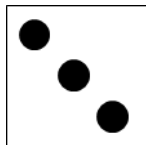

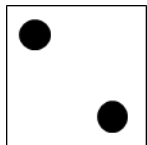

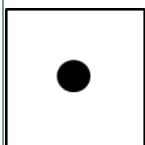

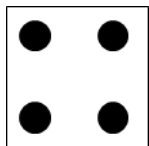

3. Какой рассказ можно придумать по рисунку Пети.

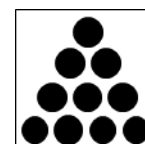

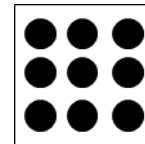

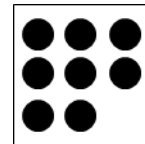

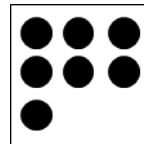

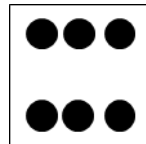

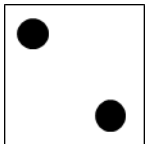

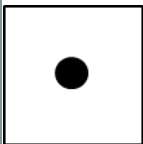

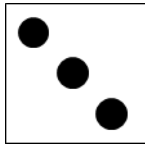

· Обозначьте количество шариков моделью числа.
