

# Летим в КОСМОС

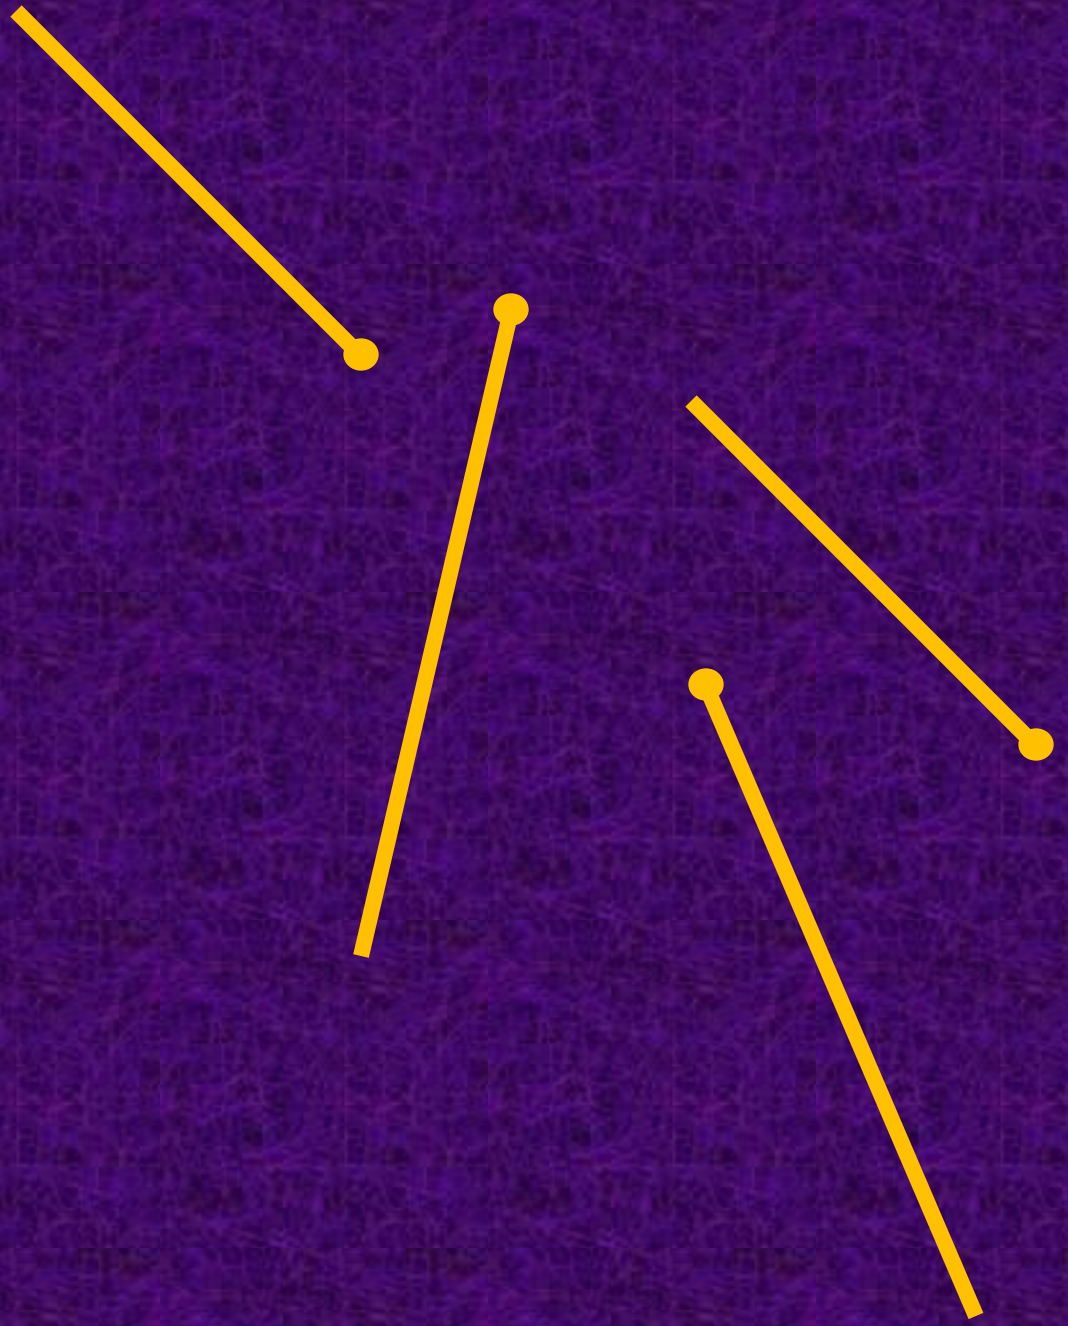

The background is a dark blue space scene. In the upper left, there is a glowing purple and blue spiral galaxy. In the upper right, a blue and white rocket ship is shown flying away, leaving a long, thin white and blue trail. The bottom of the image shows a dark blue horizon line, suggesting the edge of a planet or moon. The overall atmosphere is one of cosmic exploration and discovery.

**Сделаем  
открытие!**

**Мы дома!**

---

Какое открытие  
сделали?

Что было самым  
трудным?

---

Всё ли получилось?
