СЕВЕРН ЫЙ ПОЛЮС

An aerial photograph of the North Pole region, showing a vast expanse of ice and snow. The terrain is uneven, with numerous ridges, depressions, and channels of ice. The lighting is soft, suggesting a low sun, which creates long, gentle shadows across the icy landscape. The sky is a pale, clear blue. The text 'СЕВЕРНЫЙ ПОЛЮС' is superimposed in large, bold, black Cyrillic letters over the center of the image.

Жители - эскимосы, чукчи.
