

# The legend of ballet

Angela Isadora  
Duncan  
(1877 –1927)

She sought the connection between emotions and movement:

**“I spent long days and nights in the studio seeking that dance which might be the divine expression of the human spirit through the medium of the body’s movement.”**

**She was Inspired by Grecian forms,  
tunics and also danced barefoot on  
the stage.**

**"This is red! So am I!" "This is  
red! So am I!"**

**She developed free and natural movements inspired by the classical Greek arts**

**a new dance  
technique that  
garnered  
Duncan the  
title of the  
creator of  
modern dance**

"Adieu, mes amis. Je vais à la gloire!" ("Farewell, my friends. I go to glory!")
