

If I dared, I'd begin to create
something like music with
the help of color.

(Vincent Van Gogh)

Trend of painting	Painters and their craft	Coloring	Impressions, judgments	Other words

Trend of painting	Painters and their craft	Coloring	Impressions, judgments.	Other words.
Landscape, still life, decorative folk art, an icon, abstractionism	Artist, to reveal the person's nature, to evoke, to glorify, to depict, a marine artist, to specialize in portraiture, to develop one's own style of painting, to be in advance of one's time.	Soft, brilliant, muted, light and shade, hot and agitated, harsh, to predominate.	Dull , moving, lyrical, romantic, to hold up people's spirits, to make more humane and kind.	In the background, in the left hand corner, to belong to the brush of.

- **3 alternative questions with trend collocations**
- **3 special questions with painters and their craft collocations**
- **3 general questions with coloring and expressions collocations and words**
- **3 disjunctive questions with other words.**

Look at the model. Repeat it all together.

- Is it a still life or a landscape?
- What did Pablo Picasso specialize in?
- Do hot and agitated colors predominate in his palette?
- There is a beautiful landscape in the background of the picture, isn't there?

J.M.W. Turner, 1844
