A bouquet of flowers is the central focus of the image. It includes a vibrant red rose in the foreground, a bright yellow tulip, and a large white rose. The background is black, which makes the colors of the flowers stand out. There are also some green leaves visible at the bottom. The text '祝您' is written in a stylized green font in the upper left, and '幸福' is written in the same font in the lower right. There are some white starburst effects on the flowers.
