# Billie Joe Armstrong

# Mike Dirnt

# Tre Kula

# Releases the most famous albums

- *September 21, 2004 released a new album **Green Day American Idiot**, which has attracted a lot of attention. **American Idiot** was directed against the policies of **George W. Bush**, and the way in which he leads America. It was the debut for **Green Day**.*
- *In 2007, the band recorded the soundtrack to the feature film "**The Simpsons Movie**" under the name «**The Simpsons Theme**».*

**Thanks for watching!**
