О том, что происходит в нем. Ту-

A nighttime photograph of the Ponte Vecchio in Florence, Italy. The bridge, a long gallery of shops, spans the Arno River. The city lights and the bridge's arches are reflected in the water. The sky is dark, and the city buildings are illuminated.

A woman in a white, off-the-shoulder dress is seated and playing a large, dark wooden harp. She is positioned on the right side of the frame, looking towards the left. The harp is the central focus, with its frame curving upwards and then back down. The background is a serene night scene with a dark blue sky and a body of water. The water is illuminated with numerous small, bright white sparkles. In the upper left, there is a dark silhouette of a tree. The entire scene is filled with floating golden musical notes of various shapes and sizes, some appearing to be part of a larger, glowing musical staff or structure on the left. The overall atmosphere is magical and ethereal.
