

# *COLOURS*

**Look at the rainbow!**

*Which colour is this?*

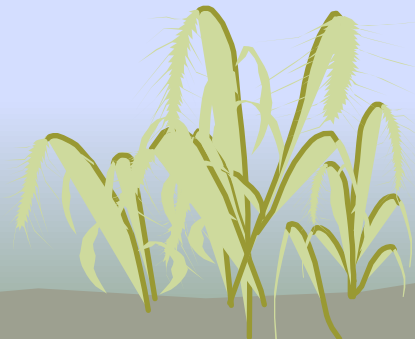

Red, orange, yellow, green, blue,  
indigo and violet.

It is yellow!

The sun is yellow and  
sunflowers are yellow.

It is orange!

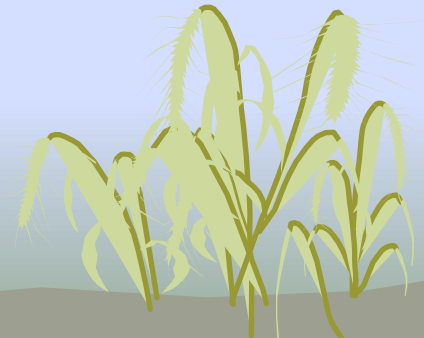

The tiger is orange with black stripes.

It is blue!

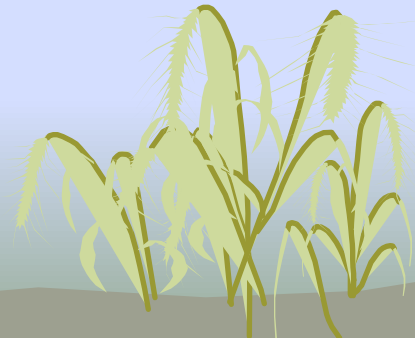

The sky is blue and the sea is  
blue.

It is green!

The trees are green and the  
grass is green.

It is indigo!

This car is indigo.

These are violets!

And they are violet.

What other colours of the rainbow?

Where can you see them?
