

# Walt Disney

**Creator of Magical  
Worlds**

Mickey Mouse, Donald Duck, Goofy and Pluto. Everybody recognizes their names and faces. They are all the cartoon inventions of Walt Disney.

Walt Disney was the first who used synchronized sound in cartoons. He also created color and full-length animated films.

**So, Walt Disney won  
seventy-six Oscars for his  
amazing cartoons!**

**The first Disney's Oscar was for the animated film "Snow White and the Seven Dwarfs"**

**Do you know all seven Dwarfs?  
They are: Doc, Sleepy, Happy,  
Grumpy, Sneezy, Bashful and  
Doopy!**

**Walt Disney all his life dreamt to create  
real Fantasy World!**

**And in 1971 Disneyland – the first theme  
park with cool attractions – was opened  
in Florida.**

**Another Disney's dream was to build a real city of the future. This city was called Epcot.**

**Many people all over the world know  
Disney's cartoons, films, entertaining TV  
channels, theme parks and everybody  
likes them.**

**Walt Disney's magical world makes us  
happier.**
