

Туган ягым! Газиз пелем! Әби-бабам, әнием-әпием. Нинди якын, нинди мапур! Ягымлы син минем йөрәккә. Шуның өчен кайда булсам да минем Сагынып кайпам пуган өемә.

Искиткеч матурлыкка ия булган үзэнгэ урнашкан бу авыл. Кенчыгыш, теньяк һәм көнбатыштан язгы ташуларда су эчендә калып, шаулап чәчәк аткан тугайлары, урманы белән татар-башкорт халкының жырмоннарында макталган Сакмар урата аны. Бу бик борынгы, югары мәдәнияткә ия булган авылларның берсе.

Авылда яшәүче ир-ат халкы сакчылар хезмәтенә билгеләнә. Алар Рәдүттән 5 чакрым булган Каравыл, 6 чакрымдагы Маяк тауларына кадәрге җиргә хуҗа булалар. Авыл тиз үк ике мәчеткә дә ия булып ала. Хәлле казакларның ир балалары Оренбургта, ә кыз балалары Каргалыда укый башлый. Ярлылар исә барлык фәнни, дини гыйлемнәрдән ерак булып, надан калалар. Казан дәүләтенең таләбе буенча, һичьюгында кул куя белергә тиеш була.

A unit of Komsomol organisation began its work in summer of 1920. 15 people were its first members. There were no women among them. Then came 1921 with a great drought. The activity of Komsomol organisation became less. Komsomol group was restored only in 1926 with help of Musa Dzhalil- a great Tatar poet. Some women joined the organisation at this time. They were Khadicha Bakieva, Lena Kharlamova, Galina Goncharova, Garifa Tanalina, Alexandra Zorina. Thanks to their activity was opened a library, then a club. A great amount of cultural and educational activities were held by the teachers: I.I. Tanalin, H. Mamin, B.Khamitov, A.Gutov (who was awarded by 3 Lenin Orders). In 1927 the inhabitants began listening to the radio for the first time. Nurulkhak Mukhametov made a radio by his own hands. On the 15th March of 1929 was held a meeting of peasants at Nuretdin Gaisin's house, where they came to a conclusion to found a collective farm. There were 72 menthers. 21 horses, cows and other home were brought to one shed.

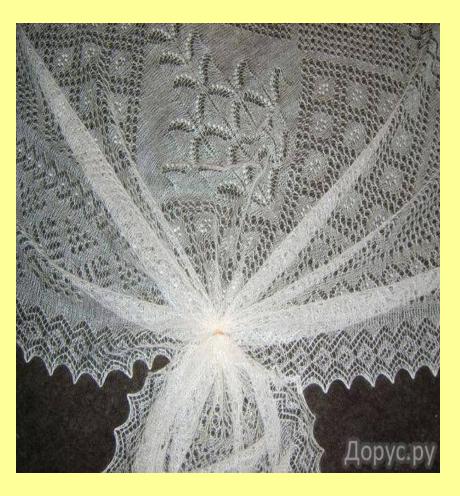

Peaceful life ended in 1941. When Great Patriotic War began our 326 fellow countrymen answered the call of our country. Among them there were 3 girls: Anna Trofimova, Mavzyuda Tanalina, Galiya Valitova. They went to the front to fight. 132 men gave their lives for the freedom of our country. You can read their names on the monument near our club. We will not forget them.

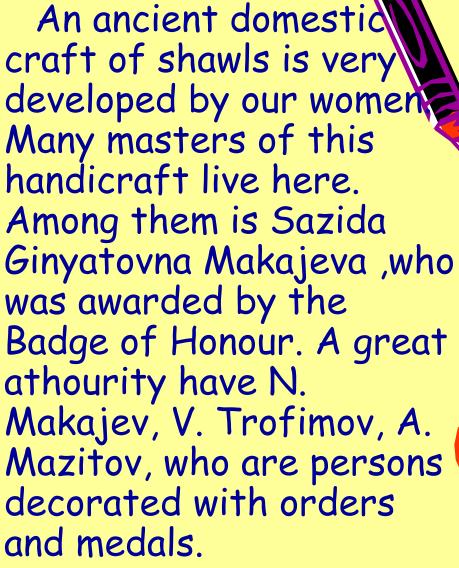

Fauna is rich, numbering great amounts of various mammal species, species of birds, fishes. There is nothing of the grand scenery that we have around Nikitino, but there are beautiful woods, green fields, a quiet gentle river, different plants, bushes. There are many hectares of cultivated land under crops and grass. Arable crops grown on our fields include wheat, barley, oats, potatoes.

This year we will celebrate 270 anniversary of founding of our village. Nikitino is a village full of wonderful sights, history and atmosphere. You'll see the mosque, the monument to the heroes of World War II, Rafkat Suleymanov's house. You can easily reach our forest and enjoy walking there on Absalvam meadow.

Experience the charms of Nikitino!

Welcome to Nikitino!
