# The sun also rises

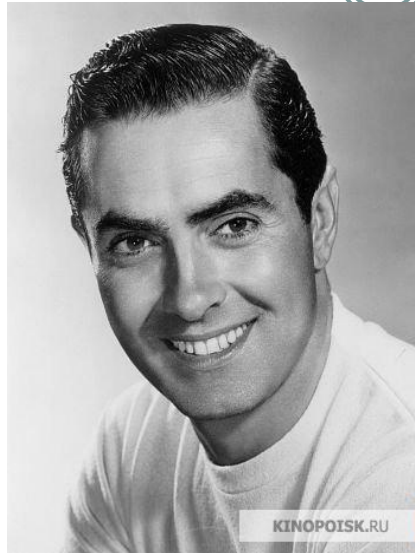

***The Sun Also Rises*** is a 1926 novel written by American author [Ernest Hemingway](#) about a group of American and British expatriates. Although the novel is written in a journalistic style, Frederic Svoboda writes that the striking thing about the work is "how quickly it moves away from a simple recounting of events". He wanted to use his journalism experience to write fiction, believing that a story could be based on real events. The novel "Fiesta (And the sun rises)" was written by Hemingway in a few months. The work was based on real events from the life of the author:

*Ava Gardner .Tyrone Edmund. Mel Ferrer. Darryl F. Zanuck,*
