

A top-down view of a sandy beach. In the center, a simple sun is drawn in the sand with a circular face and wavy rays. To the left, a pair of yellow flip-flops is partially visible, along with a colorful striped beach towel and a starfish. The text is overlaid on the sand.

Spotlight 6 Lesson 1

**How did you spend
your summer holidays?**

The background is a light blue surface decorated with autumn-themed items. There are several maple leaves in shades of orange, red, and yellow scattered around the edges. In the top left, there are several long, thin, brown sticks. In the top right, there is a piece of weathered, greyish-brown wood. In the bottom right, there is a large, circular slice of birch wood with a white bark and light-colored interior, and a small, dried, brown branch with tiny white flowers. In the bottom center, there is a bundle of sticks tied together with a white string.

The summer is over and the school starts.
