

A vibrant, colorful illustration of a rainbow arching over a green field with flowers and a smiling sun in the sky. The rainbow is composed of seven distinct bands of color: red, orange, yellow, green, blue, purple, and red. The sun is a bright orange circle with a smiling face, surrounded by radiating rays of light. The field is a lush green with numerous small, colorful flowers in shades of purple, pink, and yellow. The sky is a clear, bright blue.
