

LIKES AND DISLIKES OF MY STUDENTS

Likes

and dislikes.

Accountants 9Б-21/a

Most people have hobbies and interests which they prefer doing in their free time. As for me, during the weekend, I hate sitting at home. It's very boring for me. I try to do what I like most of all. I love going out and watching horror movies. I'm also fond of watching TV series. In my spare time, I'm really into cooking. Baking is my favourite: all kinds of cupcakes, charlottes, pies. I find it relaxing. I'm crazy about walking with my friends.

I love to drink coffee in the morning. It's cool. I find it relaxing. I'm crazy about it. I really into it. My morning always starts with coffee, even if it starts at 4pm. I don't like watching TV. Television shows boring programs. I find them really tedious. I like walking around the city. It's brilliant. I find it enjoyable. My city is very beautiful. I consider it the most beautiful city in the world.

I really like taking pictures of nature, people and animals. I think this is my hobby. I find watching serials and reading books very interesting. I also love listening to music, my favourite band is Stray Kids. I don't fancy doing sport. It is cool spending time with my friends. Most often we go walking. Sometimes we go shopping or to the cinema and just have fun.

I am and I have several hobbies.

I'm crazy about food. I love to eat, but I hate beans. I also like to go out with my friends and play with my little brother, but only in warm weather. I don't enjoy the cold.

I am not into any sport professionally, but playing basketball relaxes me. I think that lies are terrible. I relax when I swim. Swimming is great.

There are many wonderful and colourful events in my life. To 16 years I understand which things I like and don't like. I really fall in love with music because it turns me on. Also I'm crazy about having parties in clubs for all night with my best friends. So I can't stand boring, annoying and crying all the time people. There's nothing you can talk to them about. And I don't know how some people eat mushrooms, garlic and zucchini. This is disgusting.

I really like to go shopping. I love to sing songs of different complexity. Watching hockey or football is great for me. I love watching sunsets. I like to watch films of different genres. I don't like cloudy weather. Cloudy weather can affect my mood. I don't fancy eating mushrooms and olives. It's boring to sit at home when the weather is beautiful outside. It is sometimes annoying because I'm a perfectionist.

There are many things I like and dislike, but briefly about the main thing. First, I like spending time with friends, watching TV shows and movies. Secondly, I prefer to play sports. Thirdly, I really like to dress beautifully and look stunning. Now what I don't like. I hate cleaning, it's boring. I also really do not like to sit at home idle.

On weekends, I like to go to countryside. There are many places, you can go to the Gulf of Finland or walk to the lake. I also like to spend time with my friends and go to the cinema together or walk in the park with the dogs. I love listening to music and going to concerts with favourite songs. I hate going shopping and I don't like doing homework.

I'm crazy about family breakfast. My whole family gets together, and it's cool. I love talking to my family and just being in their company. I like to drink coffee with milk in the morning. After breakfast, I go for a walk with my friends. I'm crazy about our walks, because it's always fun.

I like to run in the morning. I love walking in the rain. I am crazy about doing any sports. I feel relaxed when I listen to classical music. I don't like watching action movies. I hate standing in line. I do not like to walk for a very long time. I hate having a lot of people in the room.
