

The background is a lush, vibrant nature scene. At the top, there are green leaves and branches of a tree. A squirrel is visible on the left side, clinging to a tree trunk. Several butterflies of different colors (brown, orange, and yellow) are flying in the sky. The sky is bright blue with white clouds. In the foreground, there is a field of green grass and a red mushroom with white spots. The title 'Писатели-анималисты' is written in large, green, stylized letters across the center of the image.
