I want to be

Some people often say to me:

"Have you decided what you want to be?"

I usually answer, "I don't know,"

But it isn't really so.

I want to win an Olympic race,

I want to see the Earth from space,

I want to travel to Katmandu

I want to be rich and famous, too.

I want to be on Hollywood's screen,

I want to invent a new machine,

I want to be very clever and wise,

I want to win the Nobel prize.

A PROVERB:

Every man is a blacksmith of his
fortune. -

*Всякий человек своему
счастью кузнец.*
